"MAC" McMURDO

In Dedication

It is with deep sincerity that we dedicate the 1951 TOKA to Mr. Charles McMurdo. "Mac," as known to us, has been a friend to all during the many years he has spent as school photographer. His picture taking and work on the TOKA have really been hobbies with him, but because of ill health, he was able to take only a few pictures for the annual this year.

"Mac" has truly been a "star" in the life at Grants Pass High School and one who will be hard to replace.

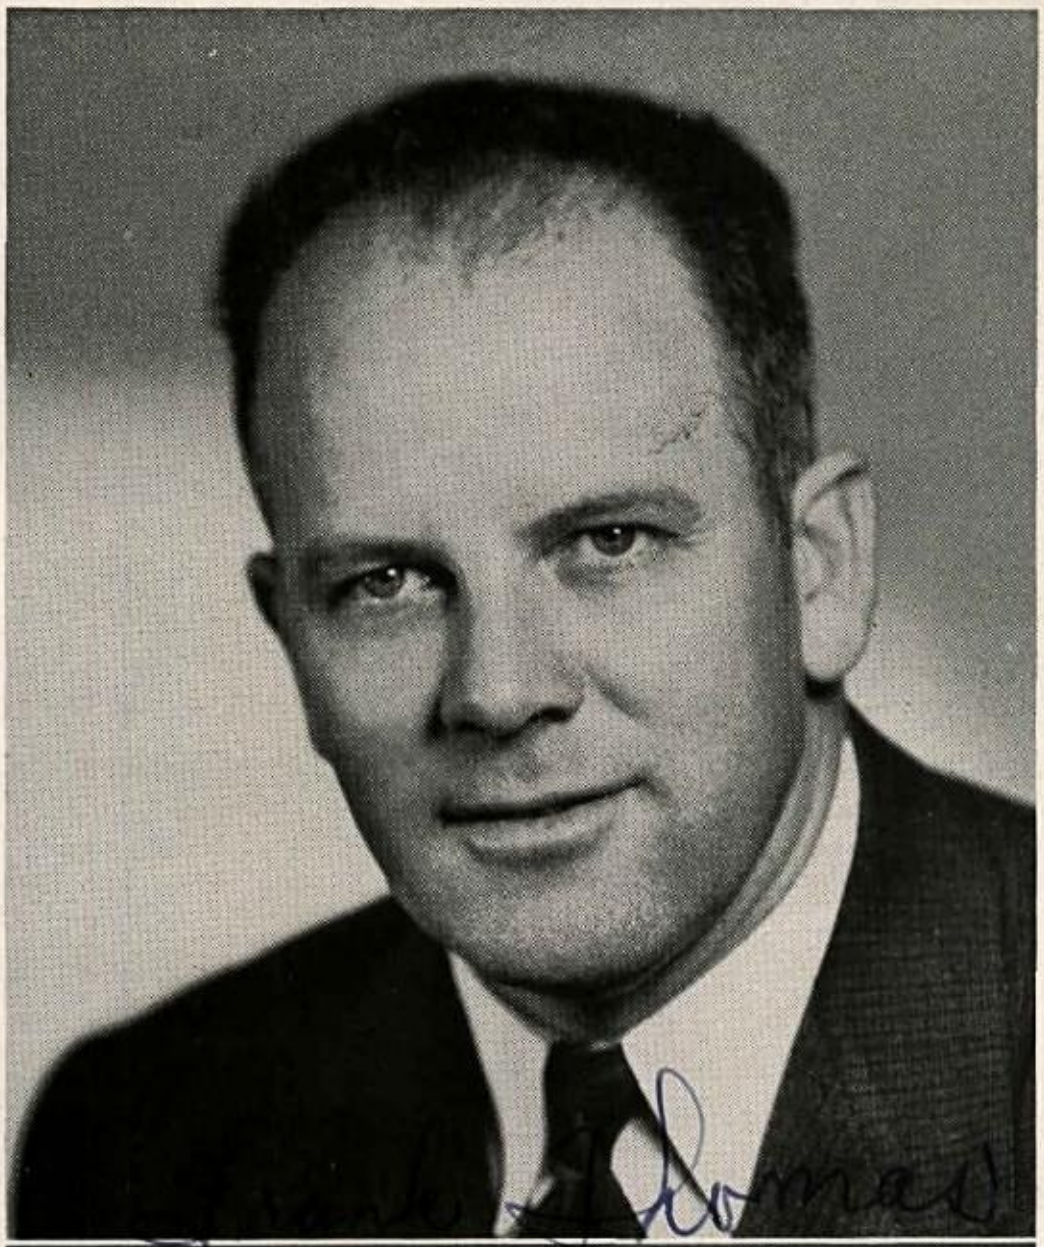
ADMINISTRATION

The Men . . .

We look back upon the school year 1950-51 as one that will be long remembered as being outstanding. This has come about through the splendid efforts of our faculty and student body.

Through the support of our patrons we have been able to offer an expanded program of activities that have received state-wide recognition. With such splendid cooperation between the school and community we can expect to continue to be proud of our school and its achievements in years to come. . . .

FRANK W. THOMAS
Principal



. . . Who Lead

The school is a social laboratory where pupils acquire the tools of learning and technical skills. Here pupils learn of their social heritage and acquire the American culture. In this social laboratory pupils learn to live happily together in a democratic society where each learns to assume responsibility and to respect the rights of others. Pupils stabilize their character and build a foundation for induction into adult life. Habits are formed that will persist throughout life.

We are all proud of our achievements in scholarship and student activities. May this be a challenge to future generations of students.

Councils Govern Our Welfare

The Executive Board is the organization that has decided the business issues for our school. Under the capable leadership of Howard Stanger, Student Body President, the chief function of deciding business transactions for the Associated Student Body was accomplished by the student body officers and class presidents.

The advisors of the Executive Board were: Mr. Reuel Meissner, Mr. Walter Carpenter, Mr. Frank Thomas, and Miss Alma Frerichs.

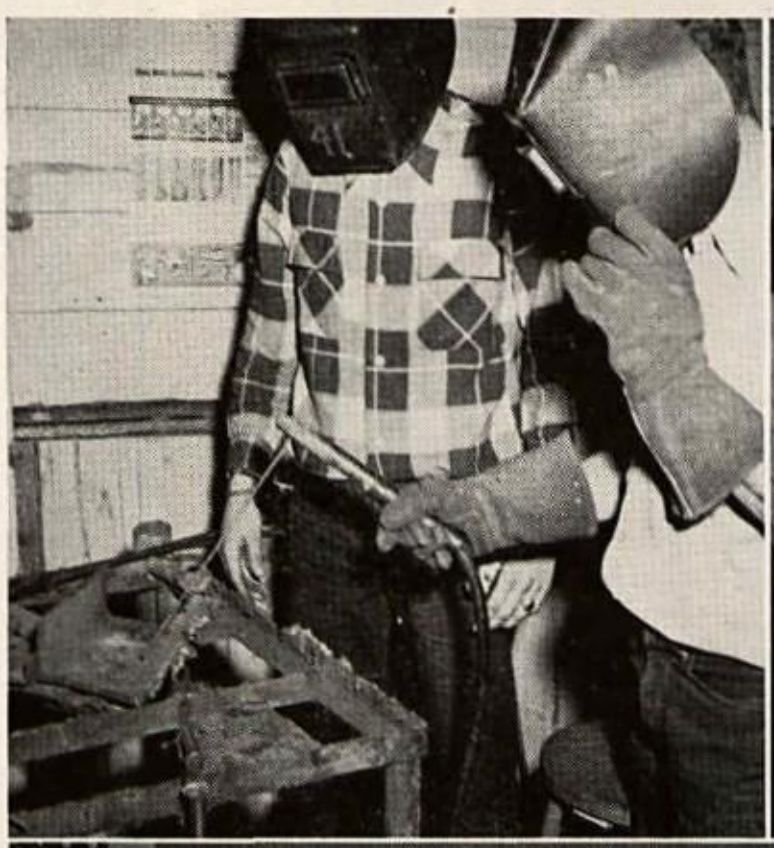
Heading this year's Student Council was Student Body Vice-President Mel Brown. Under his leadership the student body officers and the representatives of the classes and clubs discussed and worked out the problems that were presented to them concerning the advice or assistance that was needed by individual clubs and classes.

Mr. James Keith, Mr. Howard Harrison, and Mrs. Eva O'Neil were the Upper Division Student Council advisors.

STUDENT COUNCIL

FIRST ROW, left to right: Friend, Brocksen, Wyatt, Johnson, Dellinger, Holm, Barnhart, Njaa, Musty, Mrs. O'Neil. SECOND ROW: De Armond, Griffin, Wilson, Leonard, Lundy, Mr. Harrison, Dallas, James, Reynolds, Little, Clayton. THIRD ROW: Eyerly, Mayfield, Stoy, Harris, Phillips, Nolan, Story, Cooper, Barker. FOURTH ROW: Young, Turner, Winbolt, Brown, Ford, Stanger, Everton, Swisher, Ethington.

Students Acquire Knowledge



Young chemists closely observe the process of preparing a formula.

These workers in metal shop learn how to weld.

Industrious students in Mr. Nelson's bookkeeping class work hard to finish their projects.

Boys in the vocational agriculture class receive instruction from Mr. Carpenter.

Miss Gannon gives her gym class a few pointers on how to play volleyball.

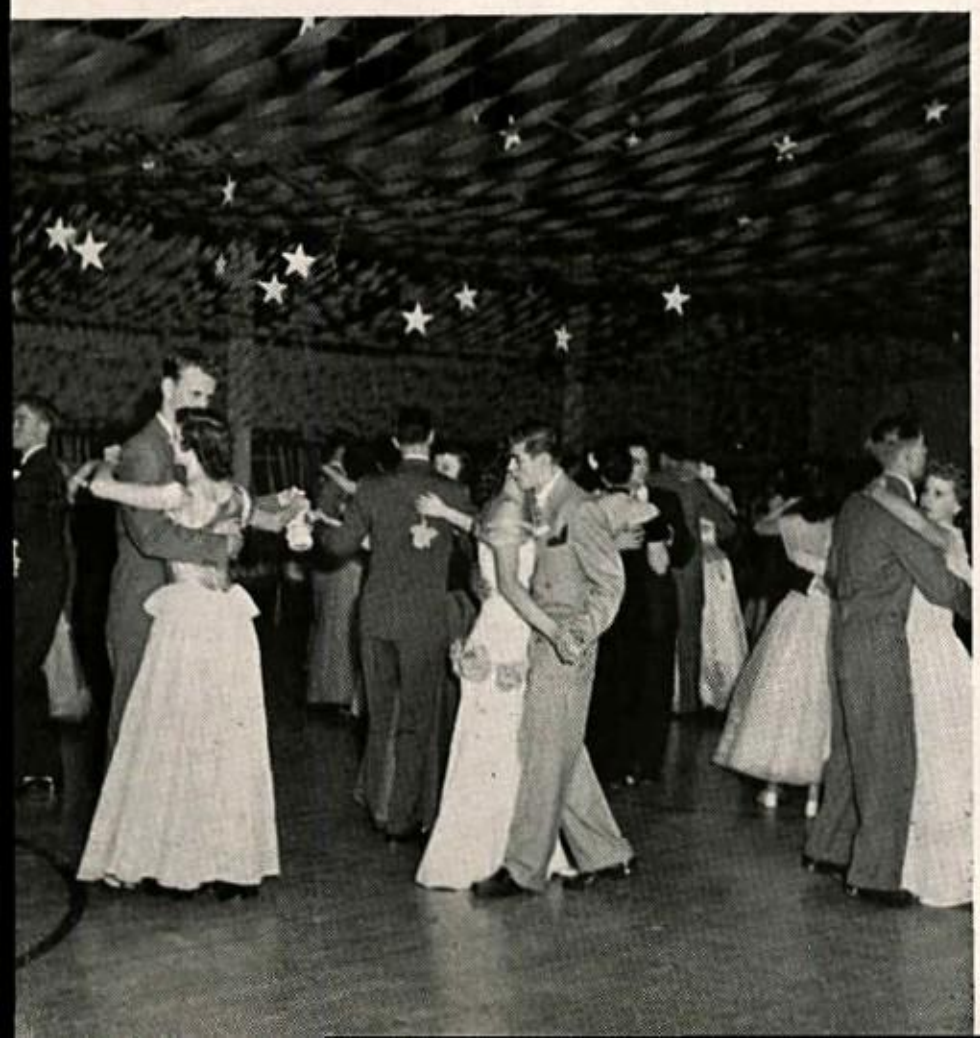
We of the Class of '51 started our last year by sponsoring the annual Senior Ball. The theme, "Magic in the Moonlight," was carried out with very outstanding decorations.

As usual, a class executive board was formed, which did a great deal to guide us through this eventful year.

We started right off by winning the P.T.A. membership drive and having a member of our class, June Barnhart, crowned Football Queen at a rally held in the Rivoli Theatre.

Students 'dance 'neath a starry sky at the annual Senior Ball. The theme was "Magic in the Moonlight."



In February, we again emerged victorious by having our candidate, Nancy Leonard, crowned Sweetheart of Grants Pass High.

May 3rd and 4th were the dates for the Senior Play, "Good News." It was a musical, a much different and more difficult type of play than has been tried here before. Under the direction of Howard Harrison, it proved a big success.

During the latter part of May, we had our annual Skip Day, with everyone having a lot of fun.

On June 8th, the formal Senior Banquet was held at the Elks Lodge, with every one of us having a wonderful time. The dinner was served by members of the junior class.

The Heater-Newman Memorial gym was the scene of Baccalaureate on Sunday, June 10th, from which we all left deeply inspired.

The day we had been looking forward to for many years finally arrived. On June 12th we marched down the path of rose covered arches to receive our diplomas and bid farewell to our dear old alma mater. We will always have happy memories of the days we spent at Grants Pass High.

Many thanks to our class advisors who were: Mrs. Sally Louis, Mr. Tom Denney, and Mr. Hank Anderson.

SENIOR EXECUTIVE BOARD—FIRST ROW, left to right: Cooper, Turner, Roberts, Harris, Griffin, Koch, Mr. Anderson.
SECOND ROW: Everton, McGarvey, Ball, Lundy, Hutchens, Mr. Denny.

Turn Backward, O Time

"The fear of God is the beginning of knowledge." Yes, this is my motto, and how many times during my past school years this fact has been proven. Whether I realize it or not, my knowledge did not begin until I learned to fear God, and I, as the class of '51, have had a hard time gaining this knowledge.

I entered Grants Pass High School five short years ago. In 1946 I was known as the Eager Beaver 7th grade. This year little Bob Amsbary was my president. My president the next year was Bill Pruitt.

The Enthusiastic Freshmen was my name the following year. Hal Faulkner, my president, moved at the end of the first semester, and Don Dickson, vice-president, took the gavel to carry out the plans and duties of president. I'm sure you all remember the big "mixer" I had to get acquainted with students coming in from other schools, and my skating party. This was also the year that Bob Amsbary was chosen from my class to take the big position of Second Vice-President of the Student Body.

As I entered the upper division, Don Briggs ably took the position of head man. This year was topped by my Sophomore Hop, "April Showers," which was a great success in my eyes, and my biology field trip when so many of the students came down with poison oak.

My junior year saw Bob Amsbary again take the top position of president, with Don Jacobson, Nancy Leonard, Merldine Griffin, and Maxine Dellinger assisting him as class officers. This was a big year; Junior Picnic, state basketball tournament, and Junior Play, **Peg o' My Heart,** with Anita Shearburn as "Peg" and Miss Young as director. The Junior Prom, "Under-Water Fantasy," was a success; and something that must not be forgotten is the fact that the junior boys served as ushers and the girls carried the arches through rain and mud for the seniors of '50 to march through.

Now I'm a senior, and I've had a great senior year. The memories of my Senior Ball, "Magic in the Moonlight," senior plays, banquet, skip day, Sweetheart, Nancy Leonard, and Football Queen, June Barnhart, will never leave me.

No greater president could have led me in this senior year than Dale Harris. Giving him a helping hand were Pat Ford, vice-president; Marlene Cooper, secretary; Merldine Griffin, treasurer, and Mary Lundy, student council representative. This year my class has contributed a senior project, class yell, senior plays, and top in PTA membership.

No, I'm not forgetting! We had a Queen, Mrs. Louis, worthy of all the praise that could be given her, and two Kings, Mr. Anderson and Mr. Denney. These were the patient and wonderful advisors who helped me through this, my last year in Grants Pass High School. And thank you, Mr. Harrison, for directing my plays. You are all wonderful and I'll never forget you.

My flower is the rose, my colors, wine and silver, and my motto, "The fear of God is the beginning of knowledge." No matter how much knowledge I gain, still, foremost in my mind will be my teachers, friends, and classmates in Grants Pass High.

There comes a time for all good things to come to an end, and for me to walk into the future, praying that God will always be with me and help me make the best of everything I do.

On June 12, with tear-filled eyes, I will walk down those traditional long rows of winding rose arches to receive my diploma.

I, as the Senior class, want to say to all my wonderful friends—Good-bye, and thanks for everything. I will never forget you or dear old Grants Pass High.

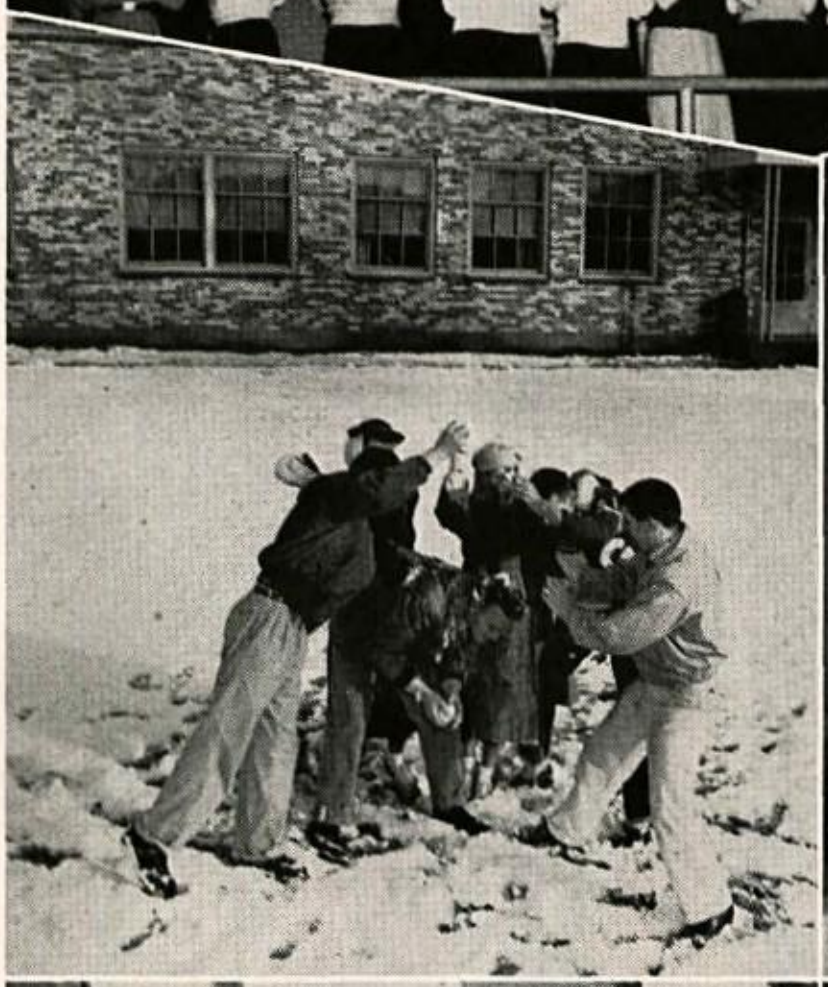
The Class of '51 spent many hours decorating for their Senior Ball, which was a huge success.

Iwo Jima, a still scene from the senior Christmas program.

The seniors raise the roof with their class yell during a pep assembly.

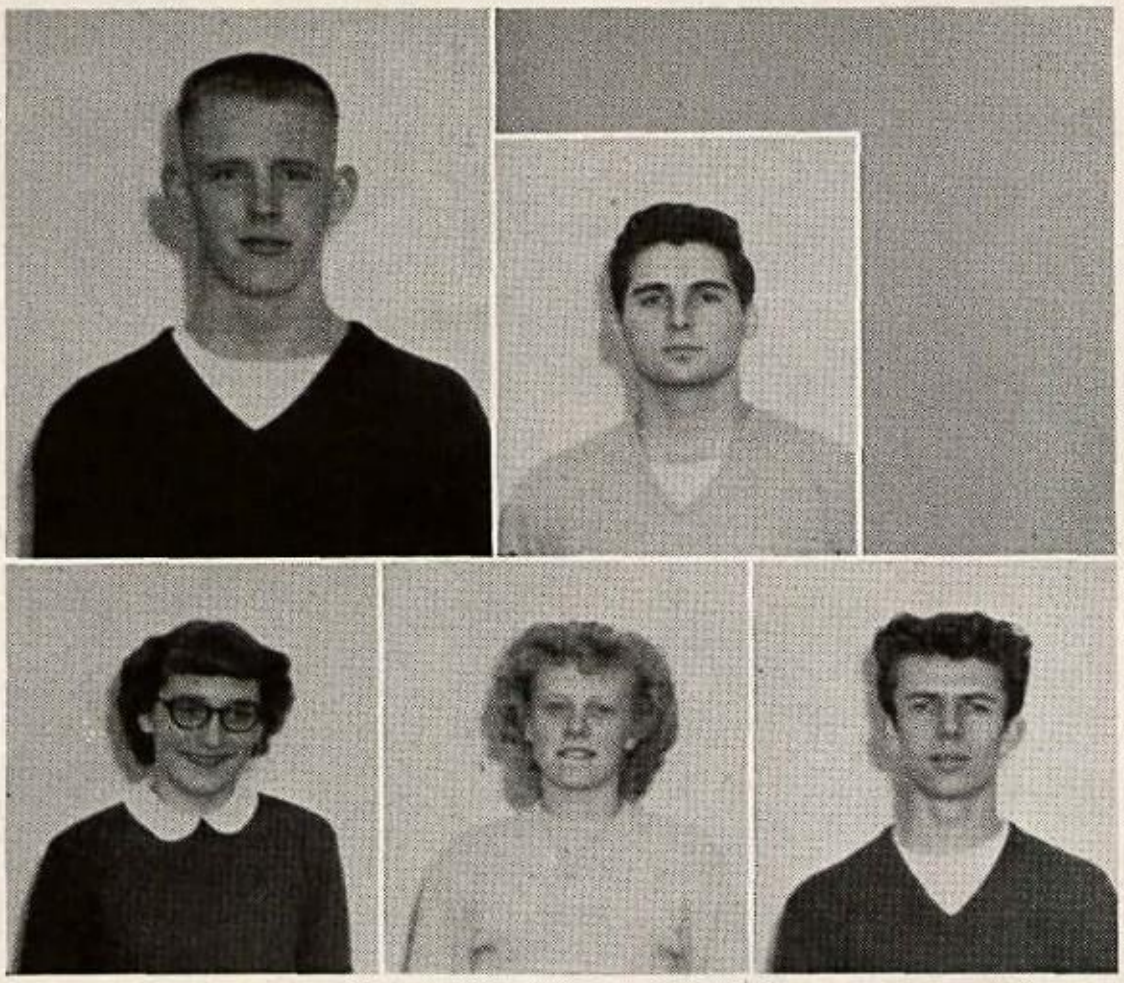
These seniors took time out to enjoy the snow we had last winter. Glenn Reese probably isn't enjoying it much, however.



"The Thing" was presented to Eldon Everton for Christmas. Wally Smith and Santa (Dave Corthell) look on.

Mrs. Louis, our hard working advisor, gets her mail in the teachers' room.

Caught in a familiar pose is Juanita Flickinger, singing during the intermission at the Tri-Hi-Y Style Show.



TOP ROW: Jim Little, President; Ronald Knight, Vice-President. BOTTOM ROW: Mary Cribbey, Secretary; Anita Parkins, Treasurer; Gary McFarland, Councilman.

This year's junior class has shown itself to be a very active one. In addition to their traditional executive board the juniors organized an activity board which planned the class functions.

To start off the year the group helped sponsor the Homecoming Rally held in the Rivoli Theater after the Roseburg game November 3. The program included the crowning of the Caveman Queen.

As a service to the school the juniors sponsored the annual Prom held in May.

The day the juniors looked forward to most was the junior picnic held in May at the city park. It was held on a school day which added to the enjoyment.

To complete all the junior activities the junior girls constructed and carried the arches for the graduation class in June and the boys ushered.

The officers of this very busy class were: President, Jim Little; Vice-President, Ronald Knight; Secretary, Mary Cribbey; Treasurer, Anita Parkins; and Councilman, Gary McFarland.

The Advisors were: Miss Lois Hinz, Mr. Charles Bothwell, and Miss Sarah Parr.

Eager Sophs Progress

This willing, ambitious and eager class came flying through the year with many achievements to its credit.

In the annual P.T.A. membership contest they placed third.

This was the second year of the Sophomore Council and it again was very successful. These efficient council members were elected from the biology classes at the first of the year: Norma Jean Njaa, Margene Musty, Mary Sue James, Maralou Dallas, Donna McQueen, Marleen Hill, Calvin Winbolt, Keith Barker, and Duane McFarland.

Activities of the class included the skating party held in the fall, the sophomore hop in the spring, a patriotic assembly in February, and their annual swimming party in May. They presented another assembly in the spring which was a goodbye program for the seniors. This class worked hard to make the Baccalaureate service especially nice by decorating and ushering for it.

The officers for the sophomore class were: President, Norman Hedgepeth; Vice-President, Calvin Winbolt; Secretary, Kay Hyatt; Treasurer, Carol Bestul; and Councilman, Fran Cooper.

The class worked under the encouragement and supervision of the advisors who were: Miss Alice Sollie, Mr. Howard Harrison, Mr. Harlan Mayfield, and Mr. Leslie Weigert.

A group of freshmen arrive at school.

Busy Frosh Accomplish Much

Working diligently under the supervision of their class advisors the class of '54 accomplished a great deal.

In the fall they sponsored a Lower Division skating party at the Rollerdrome. As always they built the bonfire for the big rally held just before our football game with Medford. During the winter they sponsored a sports dance after a basketball game, and also a dance for the freshmen after a freshmen basketball game.

Something new and very successful this year were the social dancing classes held during the fall. Mrs. Bennett did an excellent job of teaching them how to dance and the courtesies to be observed at a dance.

The freshmen sold popcorn during a basketball game in the winter. In the spring they held a freshmen skating party at the Rollerdrome and had their annual picnic in May.

These eight freshmen served in the Lower Division Student Council: Nancy Jenkins, David Isom, Brad Lucas, Mike Morrison, Glen Theobald, Bill Kolkow, Jerry Whitsett, and Jim Wirtz. The representatives kept the students well informed of the Lower Division business and were able to present to the Council the students' ideas.

Concluding their year, the freshmen cheerfully undertook the task of cleanup after graduation.

Serving as officers this year were: President, Dick Pepper; Vice-President, Bob Bell; Secretary, Phyllis Garrett; and Treasurer, Sam Dean.

Advisors for the freshmen class were: Miss Bertha Calhoun, Mrs. Jennie Calhoun, Miss Florence Aasen, and Mr. Eugene Marks.

Eighth graders satisfy their hunger.

Enthusiasm Marks Eighth Grade

The eighth grade has been a very enthusiastic and helpful class through the past year.

They won third place in the magazine subscription campaign. This took place in the fall and was just the beginning of their many activities and projects.

They made and exchanged Junior Red Cross scrapbooks with a foreign school.

Mothers of the eighth grade students were in charge of refreshments at a P.T.A. meeting on December 5.

The eighth graders take pride in the Lower Division Chorus and the "B" Band which is made up mostly of their own classmates.

A little well-deserved recreation was in store for the class when they held their annual skating party at the Rollerdrome in April. It turned out to be a big success with a great number attending.

The officers of the class were: President, James Reid; Vice-President, Ruth Whisler; Secretary, Lloydean Martin; and Treasurer, James Reese. Class Representatives were: James Reese, Gordon Graham, Joan Parker, Lynn Smith, Linda Harader and Richard Reeves. The advisors were: Miss Myrtle Birtchet, Miss Hazel King, Miss Princess Egbert, Mr. Russell Werner, and Miss Janet Strachan.

Seventh graders stream out of class when the bell rings.

Class Of '56 Off To Good Start

The Seventh Grade Class has been one of the most active, cooperative, and ambitious classes Grants Pass High School has ever had.

They entered into high school activities by winning the magazine subscription contest and placing second in the P.T.A. membership contest.

The Eager Beavers are the boys who keep the school grounds and the surrounding streets clean.

The Spic and Spanners is the organization of all the girls in the classes. They performed many helpful duties in the building and kept the rooms neat and clean. They have truly been a benefit to the school, faculty, and student body.

Their helpful and enthusiastic advisors were: Mrs. Helen Bonney, Mrs. Lucielle Brownell, Mrs. Evelyn Moats, and Mr. Carl Walters.

Among the many activities this year, the Seventh Grade held their annual picnic in the spring, with everyone having a good time.

Many of the students gave honor to the class by making high enough grades for the honor roll.

The Seventh Grade has representatives to the Junior Red Cross, and they have started a new club of Lower Division Journalism.

The class officers were: President, Dianne McKrola; Vice-President, Frank Thomas; Secretary-Treasurer, Vickey Vannice. The Social Studies representatives to the Lower Division Student Council were: Barbara Siegman, Shirley Hedgepeth, Buzz Cannon, Ellis Owen, and Janet Howell. The reporters to the Scroll were Shirley Hedgepeth, and Emily Nandie.

Scholars Gain Recognition

It is truly an honor to belong to the National Honor Society. It gives students a chance to be recognized for their scholastic ability, leadership, character, and service. Sophomores have to attain a grade average of 1.65 or better and juniors and seniors have to attain an average of 1.8 or better. Sophomores may only have probationary membership.

In the fall a semi-formal initiation of new members was held. It was in the library with parents and friends of the initiates attending.

First semester officers were: President, Virginia Fithian; Vice-President, Yvonne Holm; Secretary-Treasurer, Ramona McGuire; and Student Council Representative, Merldine Griffin. Among their service activities in the first semester was ushering at the Marcia Van Dyke concert.

The second semester officers were: President, Bruce McGregor; Vice-President, Annajean Drown; Secretary-Treasurer, Hanna Sue Hansen; and Student Council Representative, Margie Dawson. Advisor for the year was Miss Juanita Demmer.

During the second semester the club donated three books for the A. Claire Dunn bookshelf in the library. They gave money to the school for shrubs to be placed in the patio. This spring senior members of the National Honor Society competed in examinations for scholarships offered by the National offices of National Honor.

League Finishes Active Year

The Girls' League has again been very active in sponsoring student activities and as a service organization. The girls sold popcorn at football games under the direction of Social Service Chairman Honey Gilmer. The Sweetheart Ball was held early in February. The girls supervised the election of the Sweetheart, senior candidate Nancy Leonard. Her attendants were junior candidate Donna Taylor, and sophomore candidate Kay Hyatt. The Mothers' Tea was held later in the year and was enjoyed by all attending. The Girls' League week end was one of their big events. They attended a show, a dance, and a skating party to which the girls invited the boys.

The upper and lower division meetings were held separately and each once a month. The officers for the upper division were: President, Rosemary Weaver; Vice-President, Merldine Griffin; Secretary, Barbara Kessler; Treasurer, Donna Hall; Social Service Chairman, Honey Gilmer; Program Chairman, Yvonne Holm; Student Council Representative, Frances Wilson. Lower Division officers were: President, Kathy McGregor; Vice-President, Laura Beth Winbolt; Secretary, Lloydean Martin; Social Service Chairman, Elsie Hildebrand; Student Council Representative, Greta Gordon; Program Chairman, Joyce Jacobson.

The year's activities were made possible largely under the help and guidance of Miss Lynetta Quinlan.

Tri-Hi-Y Backs Worthy Causes

Tri-Hi-Y started here four years ago with an enrollment of twenty members. Since then it has grown to seventy-five members.

"Pure thoughts, pure words, pure actions." This is the slogan of Tri-Hi-Y. The members try to the best of their ability to uphold this slogan. The word "Tri" stands for the threefold purpose of the Y.M.C.A., which is the slogan of Tri-Hi-Y; the word "Hi" means they are affiliated with the Y.M.C.A. Being a member of Tri-Hi-Y enables the girls to take part in the Y.M.C.A. and Y.W.C.A. of the state. They have from time to time used the Y.M.C.A. swimming pool at Medford. The Tri-Hi-Y colors are red, white, and blue. The red stands for sacrifice, the white for

purity, and the blue for loyalty. The Tri-Hi-Y pin is a blue triangle, each side standing for one of the club purposes, and is decorated with red and white. The stated purpose of Tri-Hi-Y is, "To create, maintain, and extend throughout the home, school, and community high standards of Christian character."

Each year the club decides on a special project for the year. From sponsoring dances and other activities the girls earned money for a drinking fountain to be placed outside of the gymnasium. However, this was only one of the many activities of the year. For their Christmas project the girls donated food, packed it in the baskets, and delivered it to three needy families in the community. They bought books and made favors to send to the crippled children in the Shriner's Hospital in Portland. The club sponsored a dance after the Klamath Falls basketball game. As usual, they had a Tri-Hi-Y and Hi-Y Valentine party. The annual Tri-Hi-Y Spring Fashion show is one which all Grants Pass High School girls always look forward to around Easter time. At the show they display the talent of girls who are members of the club.

Church attendance and worship services are both principles of Christian leadership. The Tri-Hi-Y, as a group, attended church at least once a month. Arrangements were made by the Chaplain to attend a different church each time.

Each year the Tri-Hi-Y officers attend a youth conference in some Southern Oregon city. This year it

Homemakers Pursue Goals

"Toward new horizons" is the motto of the Future Homemakers of America. Their purposes are to emphasize the importance of worthy home membership, to work for a good home and family life for all, to promote a growing appreciation of the joys and satisfactions of homemaking, to further interests in home economics, and to provide wholesome individual and group recreation.

Serving as first semester officers were: President, Beverly Hauser; Vice-President, Audrey Brink; Secretary, Darlene Briggs; Treasurer, Dixie Bebb; Parliamentarian, Alice Hansen; Historian, Bennie Jo Boggs; Degree Chairman, Margene Musty; Reporter, Margaret Hansen; and Recreation Chairman, Ruth Linkhart. Second semester officers were: President, Beverly Hauser; Vice-President, Alice Hansen; Secretary, Ruth Linkhart; Treasurer, Margene Musty; Parliamentarian, Barbara Faux; Reporter, Janice Doescher, and Recreation Chairman, Alma Lindsay. Chapter mother was Mrs. Musty. These second semester officers will hold office until the second semester of next year.

One of their many activities was a joint Christmas party with the F.F.A. At this party they made decorations which they hung on the doors of most of the rooms. Some of the girls also arranged the Christmas scene in the dsiplay window. They added to their experiences by serving at many banquets during the year.

Advising the activities of the year were Miss Princess Egbert, Miss Alma Frerichs, and Miss Alice Sollie.

A group of FHA girls help to create a holiday atmosphere around the halls during the Christmas season. They made wreaths and put them on all the classroom doors.

Club Develops Future Farmers

Growing a nation's food, raising its dairy cattle and beef, and keeping it well clothed is the largest business and the most important in the world. And, fittingly, one of our largest clubs, and certainly one of our most important clubs is the Future Farmers of America.

This club is composed of students in Vocational Agriculture classes. The purpose is to develop competent, aggressive, rural, and agriculture leadership, and to participate in worthy undertakings for the improvement of agriculture.

The F.F.A. club sponsored many activities during the school year. Many field trips, when the boys judged cattle, were taken. Last year at the County Fair, members of the club exhibited their many outstanding animals such as bulls, calves, cows, sheep, and hogs.

At Christmas time we all remarked about the cheerfulness and beauty of the evergreen swags with bright red ribbons on each door. These were the result of the combined efforts of the F.F.A. and the F.H.A.

On February 20, the club held its annual Parent-Son Banquet, a treat for all who attended.

Officers were: President, James Jack; Vice-President, Larry Richardson; Secretary, Bill Sappington; Treasurer, Keith Robinson; and Reporter, Dan Milligan.

Mr. Walter Carpenter was the advisor for the club.

Lively Band Boosts Morale

Everyone loves good band music, and our band puts out some of the best music in the state. This accounts for the popularity of the band when good music is needed. The main objective of the band is to motivate school spirit and enthusiasm for all football and basketball games, and to serve in the community wherever and whenever it is needed.

MR. McALLISTER
Director

Band work is a full-time job, and keeps its students on their toes. During the past year they played for the Gladiolus Parade, the American Legion Convention, took part in a scene of the motion picture, "Rogue River," made a trip to Camp White to aid the veterans in honoring Theodore Penland on the occasion of his 100th birthday, and played at the Elks Minstrel Show. Also, they gave concerts at Christmas time and in the spring, took part in the Southern Oregon Music Festival, and inaugurated a program to visit and give concerts for the rural grade schools.

Within the band there are several ensemble groups: brass sextet, woodwind quintet, clarinet quartet, trombone trio, and soloists, who have performed a number of times for various service clubs and on radio programs throughout the school year.

Band officers for the year have been: President, Wayne Johnson; Vice-President, Stuart Kester; Secretary-Treasurer, Norma Njaa; and Scroll Reporter, Carol Bestul.

Besides the high school band, called the "A" band, attention should be called to the existence of the 85-piece "B" band, which has appeared in concert, and has been kept busy diligently perfecting itself. The "B" band is the last step up the ladder to the "A" band.

A successful year was drawn to a close for the 80-piece Grants Pass High School Band as they rendered the closing strains of the recessional march the night of graduation.

The band hopes to continue the fine work they have begun under the able direction of Raymond McAllister.

A Cappella Choir Makes Tour

The activities and accomplishments of this year's A Cappella deserve much praise from the student body and the townspeople.

At the beginning of each year there are tryouts for A Cappella. The qualifications necessary are: an acceptable voice, some musical background, a good memory, a good ear for music, and the ability to follow a conductor. A student must be at least a sophomore to be eligible.

MR. LOBBATO, Director

At the beginning of the year the following officers were elected: President, Gerald Sliger; Vice President, Jim Little; Secretary-Treasurer, Marlene Cooper; Student Council Representative, Terry Clayton; Sergeant at Arms, Earl Reynolds; Librarians, Gayle Greer and Janice Stafford; Robe Committee Chairman, Janice Stafford; Assistants, Verna Stearns and June Fulco; Accompanist, El Rene Axtell. Student directors who helped Mr. Lobbato during rehearsals were Yvonne Holm and Juanita Flickinger.

December was the busy month. That was the time that the choir presented many programs of Christmas music for the public. They began by helping with a program at the Methodist Church. Next they sang at the Country Club for the annual teacher's banquet. They performed for the public at the First Christian Church, then again at the Country Club for the Rotary Club banquet. Together with the Girls' Glee, they recorded a radio program at KUIN which was heard during the Christmas season. They ended the busy season by providing the background music for the Senior Christmas program.

During February they assisted the Future Business and Professional Women's Club in putting on a minstrel show.

The annual A Cappella concert was presented in the spring and was well received by all who attended.

The big project of the year was a tour to Fruitdale, Glendale, Cave Junction, and Crescent City, where they presented concerts. This was made possible by the generosity of a local Grants Pass businessman who donated the money for the trip.

The very eventful year came to a close with the choir singing for Baccaleureate and Graduation.

The members of the choir spent many long hours preparing for the programs and concerts that were enjoyed by the students and townspeople. They have been rewarded by the very fine record made.

Songbirds Display Talents

This has been a most active year for the special music groups.

The Girls' Glee Club and the "A" and "B" sextettes have presented several varied programs for the public including the Christmas program, the annual spring concert, Baccalaureate, and Commencement. Both sextettes have sung for other organizations.

The officers for the Girls' Glee were: President, Donna Long; Vice-President, Betty Devereaux; Secretary-Treasurer, Laura Beth Winbolt; Sergeant at Arms, Bonnie Ellsworth; and Accompanists, Nancy Forgerson and Bonnie Ellsworth.

Another music group organized this year and composed of freshmen boys was the Sportsmen's Glee Club.

F. B. L. A. Promotes Leadership

This is the first year of F.B.L.A. in Grants Pass and so far it has been very successful.

"To try to develop character and to train for useful citizenship; to strengthen confidence of young men and women in themselves and their work; to develop competent, aggressive business leadership." These are only a few of the many purposes of F.B.L.A.

At the meetings the members enjoyed programs consisting of skits, pictures, and speakers from town.

The officers were: President, Mel Brown; Vice-President, Laddie Youngblood; Secretary, Terry Savage; Treasurer, Donna Hall; Reporter, Carolyn Stott; and Student Council Representative, Mary Coleman. The advisor was Miss Myrtle Hayes; co-sponsors were Mr. Howard Harrison and Mr. Walter Nelson.

MERLDINE GRIFFIN
Editor

They Published The Toka

This year, for the first time, the TOKA was published in a class. At the first of the year it was decided to try giving credit to students for work on the annual. At mid-term the class had become well established so it was given the green light to continue to the end of the school year.

Getting off to an early start, the staff was ready with its first rough draft when the printer came to sell his services. Thus, our 1951 TOKA is bigger than ever, but still costs the student no more.

Putting out our annual was a big job. First we needed an experienced and capable Editor. She wasn't hard to find, for Merldine Griffin fitted these requirements, and more. Next we needed a Business Manager and Staff. Our Business Manager, Frank Kirby, assisted by Bonnie Hopper, Paul Howard, Virginia Vaughn, and Patty Onyett, was responsible for selling TOKAs to the students and sponsorships downtown. June Wildey was not only our Artist, but also made the many posters displayed in the halls and designed the showcase advertisements. Photographic Manager, Maxine Dellinger, had the task of arranging the picture schedules. During the second semester she was assisted by Stewart Johnson.

On the planning end were Maxine Lacy and Marilyn Knox, Class Section; Bob McClain and Nancy Wiederhold, Activities Section; Carrol Poindexter, Administration Section; and Margaret Inman, Senior Section. Lola Bergsma filled the position of secretary and typist. Class advisor was Mr. Hayes.

They Issued The Scroll

A newspaper is one continuous process. News is always happening, and it is the job of our school paper, the SCROLL, to gather and print this information. This year about thirty-six students participated in this gigantic undertaking, and did a fine job, too!

Mr. Burkey, advisor, the editors, and the whole staff were on duty every day of the school year. Some were out getting news about clubs and athletic meets. Others were writing editorials and feature items. Still others were selling advertisements and gathering bargain items for these ads. The success of all this work is exemplified in the fact that our SCROLL was judged by the Quill and Scroll Society as one of the best papers in the land. This is the highest award given by the organization, and only about thirty schools attained it.

To stimulate interest, pins were awarded upon reaching a goal of 100 points. These points were awarded for work done on the paper. A guard was added when 500 points were reached.

Virginia Fithian was first semester Editor. At mid-year a new staff took over. Carolyn Stott was Editor during the second half of the year, while Bonnie Nelson remained Business Manager all year.

Altogether, the staff put out about twenty-two issues during the year. Seventeen hundred copies were printed of each issue.

Another undertaking was selling advertisement space in the athletic programs used at our home games. These programs were given away by the students to townspeople and other students.

Pepsters Uphold Alma Mater

"Blue and white, fight, fight!" Yes, these words came from the many pepsters, dressed in blue skirts and white sweaters with a "PEP" emblem on the sweaters. They could be found at nearly every game where the Grants Pass Cavemen were playing, at home or away. Win or lose, these girls kept up their spirit, ending every game with the school song, "Hail to Old Grants Pass Our High School," in a spirit to be praised by fellow students and townspeople.

Again this year, a big help was the drill team which was made up of about forty Pep Club girls. Under the superior direction of Mr. McAllister, the band director, the girls marched with the band. They did excellent work in making formations with the band during the halftime of football games.

Something very new, but certainly colorful and fitting, were their blue and white pompons which they made very good use of.

For the first time in several years, the Pep Club had an initiation in which about thirty-five girls were initiated. These girls had big sisters who were to tell them how to dress and perform. Shirley Lawson, dressed as a turkey, took first prize for the best costume, and Evelyn Devereaux took first prize for entertainment. The initiates had to feed the club members and perform for them. To end it all, the club members surprised the initiates by serving refreshments to them.

The members of the club are sophomore, junior, and senior girls that have the desire and the required twenty points to become a member. To remain a member they must attend every game or bring an acceptable excuse for missing one.

Before every game, signs such as "Come On Cavemen" or "Beat Medford," could be seen in the halls. These were made and put up by members of the Pep Club under the chairmanship of Faye Thompson.

Among the many activities of the Pep Club were skits in assemblies, and sock dances after games.

Hi-Y Pushes Worthy Projects

The Hi-Y has two different types of activities: social and service.

Their social activities this year included swimming at the Y.M.C.A. in Medford; two joint parties with the Tri-Hi-Y; and noon dances once a week, which were a continuation from last year and a huge success. The second of the Tri-Hi-Y and Hi-Y parties was a Valentine Day party held in the library on February 13.

Under service activities, the Hi-Y contributed to some of the national Hi-Y projects, such as helping the Y's in South America. They also sponsored the March of Dimes drive in the high school. One of the clever ways this was done was to have a "coin shower" during the half time of a basketball game. This netted about one-third of the total income, three hundred dollars.

Officers for Hi-Y were: President, Eldon Everton; Vice-President, John Rembert; Secretary-Treasurer, Dave Corthell; and Student Council Representative, John Koch. The advisor, Mr. Lodwig, is new here this year, but doing a fine job.

In a skit before the Ashland game, the culprit (Don Phillips) is tried for the murder of a Grants Pass hoopster, John Koch.

Lettermen Aid School and Town

The Varsity G is one of the school's largest organizations. Each year approximately 25 new members are initiated and about the same number graduate, keeping the enrollment near the eighty mark. Qualifications for membership are earning a Varsity letter in any of the following sports: football, basketball, baseball, track, or wrestling. Usually two initiations are held: one in the fall and another later in the spring.

Varsity G members aided the safety of our town by directing traffic on "A" Street at the intersections of 6th and 7th Streets during noon hours and after school.

Aiding the President, Pat Ford, and the Advisor, Mr. Anderson, were the following: Vice-President, Don Briggs; Secretary-Treasurer, Eldon Everton; Sergeant at arms, Elmo Ball; and Student Council Representative, Ronald Swisher.

As usual the Varsity G backed the March of Dimes drive and sponsored the Varsity G Smoker, both highly worthwhile. They also presented a skit for a pep assembly.

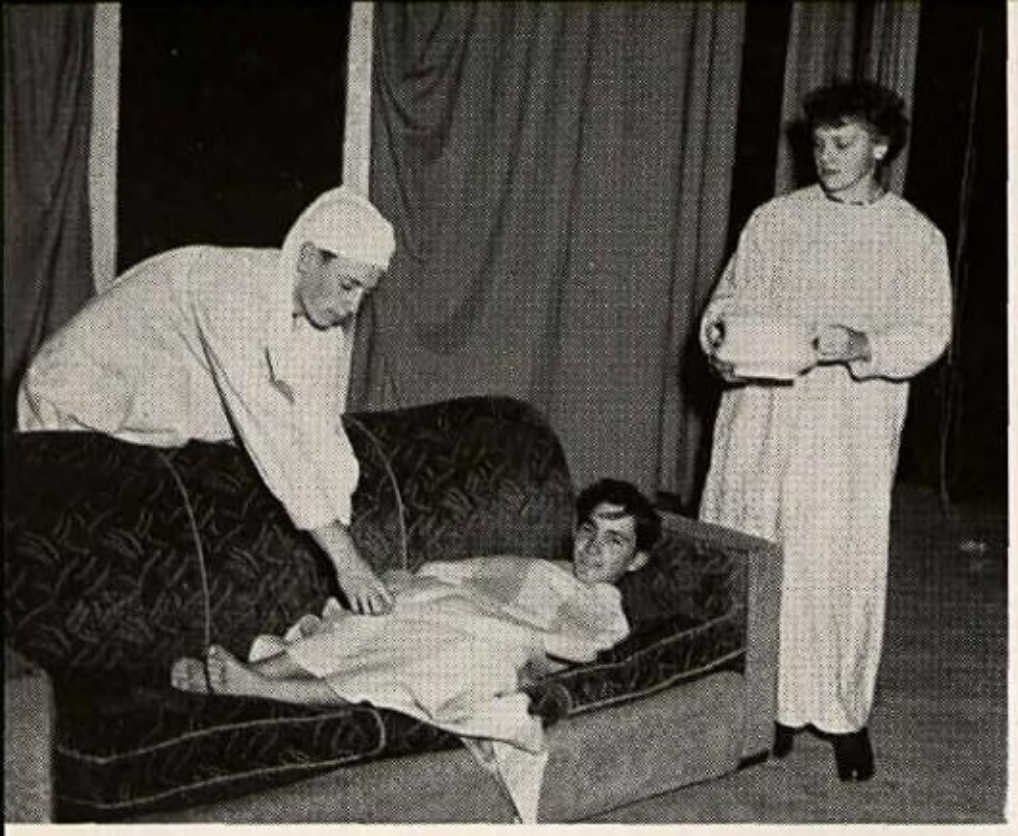
National Thespians



Bob McClain, Bob Holbauch, and Clarice Wyatt in a scene from the National Thespian play, JANUARY THAW. This production was an outstanding comedy of the year.

The curtains open. Before us we see a scene representing Fall. The actors are National Thespians, and are preparing their annual three-act play. This year they chose **January Thaw,** a story of two families living in one house. One family likes the modern, while the other clings to the old. The Thespians deepen the plot by preparing to take a jaunt up to Seattle, Washington, for the first Northwest Regional Conference.

In the second act, scene I, we find our active Thespians preparing to give the one-act play, **Minor Miracle,** which they presented in the University of Washington's Penthouse Theatre. The audience here also enjoyed this tale of four men adrift in a lifeboat during World War II.

In Act II, scene II, the scene has changed to Winter. Our able troupers are again at work. This time they are helping the Business and Professional Women put over their "Gay Nineties Daze," with a skit called **Faint Heart Ne'er Won Fair Lady.** This was an excellent study in the style of that day.

In the third act, the Spring, the players are briefly surveying some of their other outstanding achievements. The members put on make-up for every theatrical performance this year, attended the Linfield and Willamette speech tournaments, acted in the Christmas play, the senior plays, and the Penthouse plays.

The plot now ascends to its climax: the spring initiation. This is perhaps the outstanding event of the year, when the old members reminisce the thrilling moment they, too, took that same oath, "Act well your part, there all the honor lies."

Caveman Speech Club

The Caveman Speech Club has completed another successful year of activities. During the year they participated in five speech tournaments: Pacific University, Southern Oregon College, District, and State.

At Pacific University, during the fall, the speech students tied with Salem for the sweepstakes trophy. Norman Hutchens, Helen Bunnell, and Bonnie Ellsworth won first place in mixed division debate. Fran Cooper and Honey Gilmer won first in girls' debate. Fran also won first in girls' division of extemporaneous speaking.

At the S.O.C.E. tournament, also in the fall, the speech students captured three of the four awards given. Fran Cooper and Honey Gilmer won first in debate. Fran also won first place in impromptu. Alfred Cave won first place in extemporaneous speaking.

In the spring, at the Linfield College tournament, Helen Bunnell won first place in oratory. Over 30 members took part in this, the largest invitational speech tournament in Oregon.

During the year the speech students sponsored baked food sales and sold popcorn at games to help pay expenses to the tournaments. They also gave a large number of programs, including radio, for local service clubs, church groups and P.T.A. organizations.

President for the year was Norman Hutchens; Vice-President, Honey Gilmer; Secretary, Helen Bunnell; Treasurer, Alfred Cave; Student Council Representative, Wanda Story.

The Caveman Speech Club and its advisor, Mr. Mannan, is looking forward to a successful series of activities next year. They hope to win even greater honors, since a large number of members plan to continue their speech activities.

Art Service Club

At a meeting of one of our school clubs publicity for a forthcoming event was discussed. One member spoke up saying: "I belong to the Art Club and I'm sure that they would be glad to make posters for us." The outcome was, of course, that the Art Club did help.

The Art Club makes many of the fine posters we see advertising our school events. Each member works individually, carefully keeping track of the hours spent. For twenty hours' work, a silver pin shaped like an artist's palette is given. For forty hours' work, a gold pin is awarded. The club also does scene painting for our dramatics department. The most outstanding examples of the club's work was the beautiful Gothic cathedral window in the Christmas Play. They also did scenery jobs for the Thespian Play, "January Thaw," the "Gay Nineties Daze," and the two senior plays. The posters and scenery work added greatly to the success of these events.

In January the club took its annual skiing trip to Crater Lake with the Camera Club. The fun had cannot be fully appreciated by one who has never gone on such an exciting adventure.

The International Relations League started off the year sponsoring the second annual Southern Oregon Conference at Grants Pass. A luncheon was held at noon, with Maurice Morrello, a Frenchman from the University of Oregon, as the guest speaker. He told about conditions in France now and during the German occupation, of the isolation of his village, and how he was able to avoid the German draft.

The League again sent subscriptions of the **Reader's Digest** in English, Italian, and German to the students in our adopted school in Rome. They also set up two displays in the display case. One of these was in observance of United Nations Week, and the other honored the World Court.

In March, a number of students attended the State Conference in Eugene. The theme was "Problems Facing the United Nations." This trip was supported by Grants Pass businessmen, and each person attending was to be able to make a report to his or her sponsor, if asked. The conference was a lot of fun and those who went benefited from listening to speeches and talking with high school students from all over the state.

This year the busy I.R.L. students also sponsored monthly radio programs. These programs were in panel form, and many interesting topics of the hour were discussed.

Trades students have a discussion in class on an important issue that concerns them.

New members all dressed up in their charming regalia for the T and I initiation in February.

T and I Provides Work Experience

"In the Part-Time Cooperation Program, the student learner receives planned and supervised work experience on the job in the establishment where he is employed. The class provides instruction in the technical aspects of the individual's occupation and in such general related subjects as will prepare him for the problems he will encounter as a worker." This is the purpose of the Trades and Industries class.

Leading the club through the first semester were: President, Harry Gibson; Vice-President, Rex De Fur; Secretary, Geraldine Newell; Treasurer, Barbara Harper; and News Reporter, Betty Busch. An initiation party was held in November.

During the football and basketball seasons the members sold popcorn and candy at the games. They sponsored a dance in the library after a basketball game.

In February they held another initiation party and election of second semester officers who were: President, Charles Karlquist; Vice-President, Del Renfro; Secretary, Marjorie Thompson; Treasurer, Geraldine Newell; Sergeant at arms, Ray Holmes. Mr. Jack Sutton acted as class and club advisor.

The club sponsored a basketball game between the employers on the east and west sides of Sixth Street. The proceeds were for the annual employer-employee banquet which was held in April.

Woodsmen Preserve Forest Lands

The Forestry Club is very important to the school. It takes care of the school forest by planting new trees every year and keeping it clean.

There are twenty active members who are responsible for our forest. The officers who led the club through the year were: President, Don Briggs; Vice-President, Dave Flickinger; Secretary-Treasurer, Pat Niles; and Student Council Representative, Glen Campbell. Mr. Harlan Mayfield and Mr. Leslie Weigert were the advisors.

The school forest is in the Stringer Gap and New Hope district and in the fall the members of the Forestry Club were kept busy by building new trails through the forest and repairing old ones. During the winter they spent much time combatting porcupines with poison. The porcupines were destroying young trees. In the spring they made several field trips.

Being in the Forestry Club is not all hard work, for there is a reward for it. The satisfaction of seeing new forests growing is a welcome sight to those who have worked to make it what it is.

In February they held an initiation of new members and later in the year went on a picnic to Williams.

Letter Club Becomes G. A. A.

The Girls' Athletic Association was formerly the Girls' Letter Club. The G.A.A. is a national organization with state and local chapters. This is the first year of the G.A.A. at Grants Pass High.

This year, the G.A.A. was made up of girls who earned a letter in competitive sports, but next year the plan is to admit girls who have earned a letter in intramural sports.

Intramural sports, such as volley ball, basketball, and softball, are held during the noon hour when the girls earn points toward their varsity G.A.A. letter. This year, girls in the seventh through the twelfth grades participated in intramural sports.

Girls earn points in softball, volley ball, and basketball during school, and in hiking, horseback riding, tennis, etc., outside of school. A girl has to earn 150 points in order to receive her letter. After she gets her letter, she receives chevrons for the sports she participates in. The girls in the regular athletic class have an opportunity to get a varsity letter, but do not letter in G.A.A.

The purpose of the G.A.A. is to promote sportsmanship and physical fitness among the girls.

On March 3rd, the members attended a playday held at Kerby. They played basketball and volleyball, and a good time was had by all. The annual initiation was held in the spring, after which the girls enjoyed a slumber party.

Officers for the year were: President, Louise Bernier; Vice-President, Alberta Chasteen; Secretary-Treasurer, Carol Robinson; Councilman, Shirley Brocksen; and Sergeant at arms, Charlotte Becker. The advisor was Miss Geraldine Halbert.

FIRST ROW, left to right: Heflin, Butcher, Becker, Davidson, Palmer, Durrent, Brockson. SECOND ROW: Bergsma, Inman, Bernier, Steward, Kincaid, Ditto, Harelson. THIRD ROW: Miss Halbert, Bullard, Bullard, Vobora, Wilson, Weaver.

Camera Club Learns Photography

The Camera Club is one of our most active clubs. They hold regular meetings every Tuesday and Thursday during the activity periods in the Visual Aids Room. In the spring they held their meetings out of doors so that they could learn more about taking pictures.

Leading the club through the first semester were these officers: President, Faye Thompson; Vice-President, Donna Ray; Secretary-Treasurer, Joan Staats; Student Council Representative, Joyce Staats; and Sergeant at arms, Shirley Lawson.

During the first semester the club sponsored noon movies. The movies were shown every Monday, Wednesday, and Friday of every week. The movies were sports topics, comedies, and other short topics.

At Christmas, some of the members came up to the school at night and made Christmas cards.

Serving with Donna Ray, President, during the second semester were: Vice-President, Barbara Vobora; Secretary-Treasurer, Joan Staats; Student Council Representative, Joyce Staats; and Sergeant at arms, Shirley Lawson.

In January they took a trip to Union Creek with the Art Club members. They enjoyed skiing, tobogganing, and took pictures. In March a similar trip was taken to Crater Lake. In the spring they took a trip to Crescent City and had fun taking pictures of the coast.

At the meetings, they studied photography and enjoyed movies of some of our basketball games. The members learned how to develop pictures. Their dues paid for the chemicals used.

Although Mr. McMurdo, the advisor, was ill much of the year, he has helped them greatly in their study of photography.

El Dee Pep Club Supports Cavekids

Energetic, ambitious, and peppy. These words are really a good description of the Lower Division Girls' Pep Club.

At the first of the year they made a constitution which had to be approved so that it would not conflict with any part of the school constitution. For their Christmas project they sponsored a toy drive in the high school. They gave the collected toys to the Grants Pass Fire Department to be distributed to needy children in the county. The club sponsored a sox dance after a basketball game and attended the lower division ball games. Busses were taken to some of the Ashland and Medford ball games. It is a definite requirement that all members attend as many lower division games as they possibly can. If they have three unexcused absences they are dropped from the roll. Still it has grown to around forty-five members.

Leading the club through the year were these officers: President, Joyce Jacobson; Vice-President, Elsie Hildebrand; Secretary, Mary Jo Williams; Treasurer, Alta Fenner; and Student Council Representative, Sally Turner.

The advisor of the club was Miss Frances Gannon. Miss Gannon said that next year they plan for bigger and better sox dances and better attendance at lower division games.

The present purpose of the Spic and Spanners is to have a club for the seventh grade girls so they can get better acquainted with each other and be more capable of fitting into school activities in their later years.

Their work was originally to clean the rooms during the noon hours, but this year it has become increasingly difficult so it is primarily an organization for getting acquainted. They held regular meetings each month during an activity period. In February they had a Heart Sister week and ended it with a Valentine's party.

The officers were: President, Karen Njaa; Vice-President, Dixie West; Secretary-Treasurer, Kay Neilson. The advisors were Miss Evelyn Moats and Mrs. Eva O'Neil.

A contest of collecting coat hangers was held between the Spic and Spanners and Eager Beavers. They sold them to the laundry.

The Eager Beavers is one of our most active, helpful, and useful service organizations in the school. Every Tuesday and Thursday during activity period, the seventh grade boys cleaned up the school grounds and surrounding areas.

In March, approximately sixty of the Eager Beaver members went with the Forestry Club to help them work in the school forest. During the football season they acted as salesmen for the Trades and Industries club which had the concession for the games.

Officers of the club were: President, Doug McGregor; Vice-President, Dean Smith, Secretary-Treasurer, Donald McCoy. Advisors were Mrs. Helen Bonney and Mr. Carl Walters.

Organizations Help Form Citizens

Junior Tri-Hi-Y is a part of the Young Men's Christian Association movement. In organizing, a Junior Tri-Hi-Y seeks to develop leaders through work, play, and service to home, school, and community. Programs are planned by members to include things girls of junior high age like best to do, such as sports, social functions, service, worship, and religion.

The purpose of Junior Tri-Hi-Y is to strengthen bodies, develop minds, worship God, and help the girls to work together for a finer community and a better world.

Any 8th or 9th grade girl with a grade point average of no less than a "3" may apply for membership regardless of race, color, or religion.

The first officers of the club were: President, Kathleen McGregor; Vice-President, Melva Torgrimson; Secretary-Treasurer, Barbara Beck; Chaplain, Joyce Jacobson; Sergeant at arms, Susie Burkey.

Advisors were Mrs. Eva O'Neil and Miss Janet Strachan.

After nine years of advising the Ticket Squad, Mr. Collett can truly be proud of the work he has seen accomplished through the years. He feels that "honesty, dependability, and courtesy" rank highest for qualifications for membership into the squad, which is open to any high school student, grades nine through twelve.

The squad sells and takes tickets at all our athletic games throughout the year, as well as at most of the school plays, concerts, and dances. This is a big order; but one well filled.

The squad members, when on duty at a game, are required to work for three-fourths of the time, and at least one-half of the time at other functions; so you can readily see what an outstanding service they are performing for our school.

Officers this year were: Manager, Les Boardman; Assistant Manager, Verna Stearns; Secretary-Treasurer, Shirley Brockson; and Student Council Representative, David Stoy.

They Star Behind The Scenes

This year, as every year, the Caveman Patrol has been kept more than busy helping our school function smoothly and efficiently. This year the club was under the able leadership of Mr. Denny, who helped the boys plan and work out the many problems connected with the club's work. Among the many and varied duties performed by this active service club were setting up chairs for assemblies, concerts, and plays; stretching the canvas along the fence for football games; setting up the graduation platforms for the commencement exercises in the spring; and stringing up loud speakers at football and basketball games.

A picnic sponsored by the school is held every spring in the City Park. The following year's officers are elected at this time.

This year's officers were: President, Willard Herzberg; Vice-President, Bill Paylor; Secretary-Treasurer, Gill Carda; and Student Council Representative, Lawrence Friend.

"The show must go on" might be a good motto for the Stage Craft crew. This group is responsible for preparing the stage settings for all dramatic performances at the High School.

Their first job came in October. This was the set for "January Thaw," and was followed by the Junior Play in November. Next came a real test to the club's ingenuity: the set for the Elks' Minstrel. Nearing Christmas time, the club, with the cooperation of the Art Club, put up a very beautiful and inspiring cathedral scene for the Christmas play. In February, the club helped the Business and Professional Women with their "Gay Nineties Revue." The last big job came in April when the senior class presented two plays, doubling the work for the Stage Craft crew.

All in all the club and its advisor, Mr. Johnson, had a very busy year.

Clubs Strengthen Character

F.T.A. is a very active and useful club. The purpose of the club is to promote teaching interests in high school students. They have observed and even substituted for teachers all during the year. Their service project is selling Savings Stamps in the Student Body office one noon each week.

This year's officers were: President, Rosemary Weaver; Vice-President, Ann Ditto; Secretary-Treasurer, ElRene Axtell; Upper Division Student Council Representative, Fran Cooper; Lower Division Student Council Representative, Loree Arthur; Librarian, Lois Ballenger; Historian, Marilyn Knox; and Saving Stamps Chairman, Della Anderson. The advisors were Mrs. Jennie Calhoun and Miss Florence Aasen.

Our High School Christian Club is a very worthy organization. The club is absolutely nondenominational; it is open to any students who are interested.

Serving as first semester officers were: President, John Adams; Vice-President, Ronnie Swank; Secretary-Treasurer, Helen Bunnell. The officers for the second semester were: President, John Adams; Vice-President, Lee Lowell; Secretary-Treasurer, Helen Bunnell; and Student Council Representative, Leslie Simpson. Advising the group throughout the year was Miss Myrtle Hayes.

The meetings were held once each week during the noon hour. At these meetings the members undertook the study of characters and lessons from the Bible.

Journalists Seek New Ideas

This year the Journalism Club had two parts: one for upper division and another for lower division. This gave the lower division students a glimpse into the realms of journalism and prepared them for better work in journalism and on the SCROLL staff. It also provided a place where interested students could come together and talk about adventures in journalism.

Mr. Burkey, club advisor, hopes to continue the same plan next year as he feels it stimulates interest in better journalism.

Serving as officers were: President, Clarice Wyatt; Vice-President, Suzanne Harader; Secretary, Edna Stewart; Treasurer, Juanita Flickinger; Councilman, Maxine Dellinger.

Organization, truth, initiative, opportunity, leadership, loyalty, enlightenment, and friendship make up the aspirations of the international organization of Quill and Scroll.

This year the chapter held two initiations: one in January for those who had done work last year, and one later in the spring for those who were eligible this year.

To qualify for membership into the Quill and Scroll, a student must be at least a junior in High School, be in the upper third of his class, and do satisfactory work in Journalism.

This year's President was Pat Niles; Vice-President, Nancy Leonard; Secretary, Margaret Hansen; Student Council Representative, Yvonne Holm.

They Serve Our School Well

The Library Club is made up of fourteen girls from grades ten, eleven, and twelve. Each girl is scheduled to work five periods a week for a semester, handling such activities as circulation of books and magazines, slipping and shelving books, reading the shelves, typing, and aiding others in the use of the library.

The club meets each activity period. Part of the time is spent on simple procedure, and the remainder of the time is spent on becoming more familiar with the uses of library tools.

It is organized and conducted for the purpose of sponsoring a greater intent in the uses of the library and for improving the library service of the school. It presents an opportunity to work with people and to develop attitudes. The following desirable traits are emphasized: promptness, dependability, neatness, cooperativeness, accuracy, willingness, courtesy, initiative, confidence, poise, responsibility, loyalty, and pride.

As a service club, the Library Club is indispensable. It has been very busy this year as our library is growing and there are many new books in the collections.

Miss Mateer is the advisor. The officers were: President, Dorothy Duckworth; Secretary, Norma Van Nest; Councilman, Ellyn Swartout.

The Typing for Service Club is a further training ground for those who are planning to enter commercial fields. It gives an opportunity for students to serve our school. Typing for Service is a part of the Future Business Leaders of America and several members of it attended the F.B.L.A. convention in Corvallis. The members picked out their pins. In order to receive a pin, a member has to have a minimum of thirty-four hours of service to the school through typing. To date, a total of 604 hours of service have been recorded.

Word was received that Virginia Fithian's program and design typing received an award from a contest sponsored by the Remington-Rand Company.

Typing for Service selected two new members for the club from the sophomore class to fill the quota. The club has a limited membership of twenty-two members. Students may join the club only by test. Several members served as regular secretaries to the various teachers.

The officers for the year were: President, ElRene Axtell; Recording Secretary, Mary Coleman; Filing Secretary, Donna Taylor; and Councilman, Mary Jo Carlson. The advisor is Mr. Howard Harrison.

Clubbers Learn Art and Drama

The Lower Division Art Club is made up of members of the eighth grade who meet in the art room during activity periods to sketch, paint, or take part in other art activities. The club was formed this year because there are a great many students in the eighth grade who are interested in art work but, because of class scheduling, it is not possible for them to enroll in an art class until the freshman year.

This year the club worked on lettering, crayon drawing, and water color painting, and also made decorations for the large Christmas tree placed in the front hall preceding the holidays.

There were no officers for the club, but the students just met and learned about art because of their interest in it.

This lower division club should be the nucleus from which the advanced art students will come in future years.

Advising this ambitious bunch of students was the art instructor, Mrs. Esther Fox.

The term "penthouse" came from the University of Washington, where plays were held in a hotel penthouse because of lack of space. Since then, the University has built the only theatre in the world specifically for this intimate style of production.

This year some of our Penthouse Players were fortunate to have the opportunity to visit the Penthouse Theatre in Seattle and also to present a serious drama, "Minor Miracle," there. A picture of this play was printed in "Dramatics," the National Thespian monthly magazine.

In December, along with two other one-acts, "Minor Miracle" was presented in Grants Pass. It was a story of four men adrift in a life boat. The other two plays, comedies, were "Life O' the Party," a lower division play, and "Winning Trick," which had an all girl cast.

In April and May the lights went up for another series of one-act plays. These two groups included "Nobody Sleeps," "Yellow Tickets," "Wedded, but No Wife," and "The Estabrook Neices," which was another lower division play.

All plays during the year were directed by advanced drama students under supervision of Miss Trull, drama advisor.

El Dee Organizations Active

This club is National Honor for the lower division students. To be eligible the students must attain a grade average of 1.65 or better and have attended Grants Pass High for at least two semesters. A faculty committee must approve each new candidate for membership on the basis of scholarship, character, citizenship, leadership, and service. During the past year the club tried to promote scholarship in the lower division.

Serving as officers throughout the year were: President, Lois Simpson; Vice-President, Glen Kuykendall; Secretary, Ellen Kelly; and Treasurer, Nancy Osborn.

Advising the club was Miss Janet Strachan.

This is the only club which is primarily for eighth grade boys. The purpose of the club is to increase the interest in science and to provide activities for fellowship among the eighth grade boys.

The officers were: President, Martin Williams; Vice-President, Larry Gilbert; Secretary, Stanley Tichenor; Treasurer, Bobby Gass; Program Chairman, Michael Barrett; and Ways and Means Chairman, Douglas Ugstad.

At the meetings, which were held every Tuesday morning, they discussed interesting discoveries in science. They sponsored several noon movies during the year, and in the spring they took a trip to the Grants Pass chinchilla farm.

The advisor was Mrs. Marjorie Munt.

Boys' Clubs Get Good Start

Junior Hi-Y is a new club which was started last year by a few ambitious members of the upper division Hi-Y. This is really the first year that it was active. The big job of the year was getting organized and drawing up a constitution. This constitution had to be made so that it wouldn't conflict with the school constitution and the national Hi-Y constitution.

The officers for the year were: President, Ernie Zottola; Vice-President, Jerry Yosten; Secretary, Fred Dymock; Treasurer, Glen Kuykendall; and Student Council Representative, Skip Alexander. Club advisor for the year was Mr. Carl Walter.

The Boy's Pep Club is small, but it is making progress toward establishing a permanent club. It has the same ideals as the Girl's Pep Club: better co-operation with the team and better organized cheering with the Rally Squad. The boys have done much to help boost the morale of the team.

The club, jointly with the Girl's Pep Club, sponsored a Pep Assembly for the Klamath Falls basketball games in February.

Officers were: President, Jim Turner; Vice-President, Willard Herzberg; Sergeant at arms, Reese Locust; and Secretary-Treasurer, John Mayfield. The advisors for this year were Mr. Marks and Mr. Meissner.

Cavemen Make History

Again in 1950-51, our Cavemen rolled on to make history for Grants Pass High.

As school resumes, so do all the sports, and Cavemen athletes are seen running around all over. They may be football, basketball, baseball, track, tennis players or wrestlers; but no matter what they do they are all Cavemen and all working equally hard to win fame for Grants Pass High.

In September the spotlight was first centered on the great sport of football. Rain, mud, or snow couldn't stop our boys. They came through undefeated and emerged as the top team in the tough Southern Oregon conference. They were under the able coaching of Mel Ingram.

Changing the spotlight on December 3, twelve Cavemen bounced the casaba into the great season of basketball. Coach Hank Anderson saw the boys through to second place in conference and a wonderful year in basketball.

Again Mel Ingram took the head position with his wrestlers, making a great showing for their first year to be participants in a major sport. They went far enough to represent Grants Pass in the state wrestling tournament.

March brought baseball under the excellent coaching of Bill Reder. Our team this year was really tops, with ten returning lettermen, besides many new clubbers coming in for the first time.

The tennis team, traveling with the baseball squad, was nearly a complete new team this year, but coach Gene Marks brought them through a good season.

Russ Werner was the able head man who took over the thin clads this year, representing Grants Pass well in every meet where the Cavemen participated.

Many of these Cavemen who brought Grants Pass through so successfully in every sport will be leaving this year. They will always be remembered and the year 1950-51 will be "when the Cavemen made history."

Cheer! Cheer! Cheer!

Pep is only a three letter word, but this year when it was needed, it took only seven vivacious girls, a student body, and a Caveman team to give out all the pep a three letter word could hold.

Head yell leader, June Barnhart, always seemed to have a surplus of pep. Along with her could always be seen her squad, which consisted of Betty Waters, Barbara Roberts, Yvonne Holm, and Mary Lundy, seniors; Virginia Croxton and Patty Wuner, juniors.

New yells and routines were learned and taught to the student body at the many pep assemblies. These girls were always present at games, leading the student body at cheering the hard working team on to victory.

The Rally Squad shared in sponsoring the big football rally after the Roseburg football game, and also sponsored a sox dance after a basketball game.

The Rally Squad relaxes on the front steps. Reading clockwise are: Betty Waters, Virginia Croxton, Pat Wuner, Barbara Roberts, Mary Lundy, Yvonne Holm. Rally Queen, June Barnhart, is in the center. In the insert is Advisor, Miss Bronner.

Ending the year, these girls received their well-earned letters and initiated the new members of the squad who will be carrying on the spirit of the blue and white next year.

Advising the squad was Miss Betty Bronner and the hard working substitute was Mary Jo Carlson.

Cavemen Undefeated, Untied

Opening the football season with a win, our Cavemen trampled every victim on their list, and made history again for Grants Pass High.

Speeding through the season with nine wins and no losses, they were voted out of state playoffs, yet on November 22 they were presented with a trophy showing the town's appreciation for their teamwork and sportsmanship in making this another big year in Grants Pass.

Looking on the playing side we see our Cavemen defeat three fighting teams in pre-conference games to enter the conference with a clean slate. The conference teams played were: Redmond, Ashland, Klamath Falls, and Medford, all of which the Cavemen rolled over for sure victories.

Breaking the string of conference games we played Milwaukee on October 6 and Roseburg on November 3, with our Cavemen plunging through to win both games. Undefeated this season, they proved to us of Grants Pass High that our team is really tops.

FIRST ROW, left to right: Corthell, Jacobson, Reames, Swanson, Yosten, Flock, Quinton, Briggs, Dickson, Carda, Coach Ingram. SECOND ROW: Mr. Reder, Sliger, Smith, James, Swisher, Judd, McFarland, Talbot, Stearns, Corder, Herron, Flaningam, Mr. Davis. THIRD ROW: Knight, Everton, Graham, Harbin, Siegman, Barker, Roth, Harbour, Goyer, Carothers. FOURTH ROW: Musser, Winbolt, Norrick, Hedgepeth, Koch, Swisher, Rosemus, Paylor, Bell, Little, Johnson.

Hoopsters Make Fine Record

With undying efforts, our Cavemen placed second in the Southern Oregon Conference, but still remain champions in our eyes.

They started the season December 3rd and 4th with Eugene. They played seven different teams in nine games before the conference games started, meeting their first defeat at the hands of the Marshfield Pirates.

The first conference game was against the Black Tornado Medford team, which handed the Cavemen their second defeat of the season. They came to Grants Pass the following night, where our basketeers beat them soundly.

Then came a fighting Ashland team, which the Grants Pass boys rolled over for two more conference wins. The real test came when they met Klamath Falls on the Pels' home floor. They gave Klamath a scare the first night and came through the next night to give the Pels their first conference defeat.

Playing and winning two more games each with Medford and Ashland, they again met Klamath, this time in Memorial Gym. The first game was a thriller, with the Cavemen winning by eleven points, which tied the two teams for the district championship. The final and crucial game ended with the Pelicans taking the district championship and the right to represent District 4 at the State Tournament. It also broke the Cavemen's record of 27 wins on their home floor.

On the opposite page are the eleven senior players who, after being nosed out by Klamath, hung up their suits for the last time.

Ten Baseball Lettermen Return

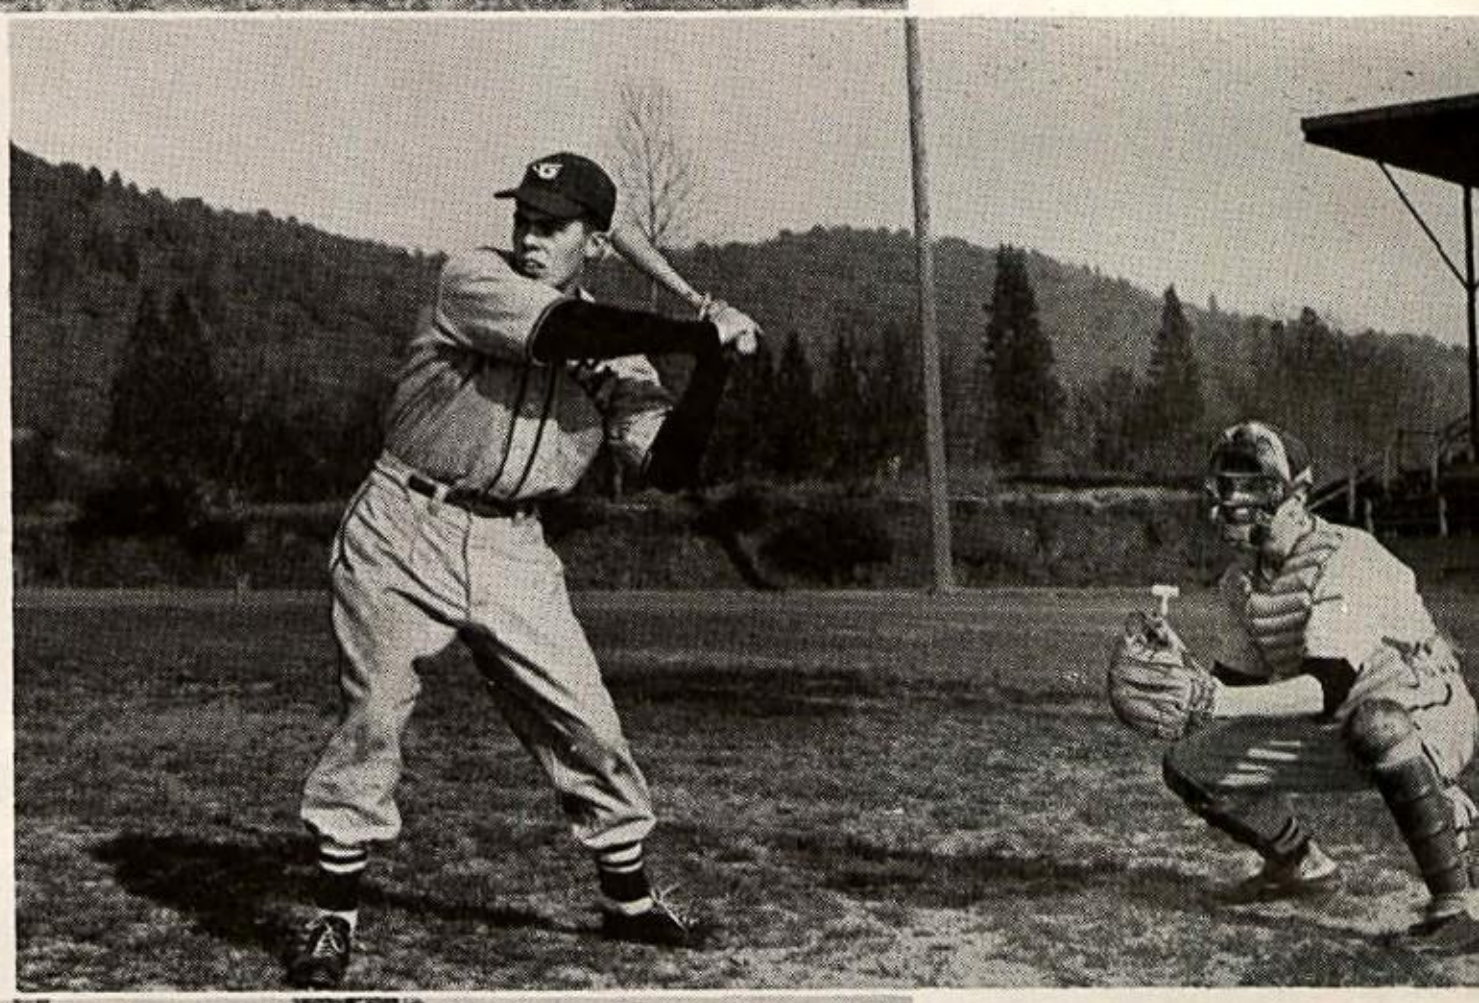
As the spotlight centers on this grand American sport of baseball, ten returning lettermen are warming up now for a big year in baseball for Grants Pass High School. They are: Glenn Reese, Catcher; Norm Hedgepeth, Catcher; Jim Little, Pitcher; Jay Koch, Pitcher; Milo Trautman, Second Baseman; Phil Parsons, Third Baseman; Don Jacobson, Shortstop; and Bob Smith, Larry Friend, and Dick James, Outfielders.

The schedule in baseball this year is an interesting one with two games each with Roseburg, Medford, and Klamath Falls, and one with Ashland and Eagle Point.

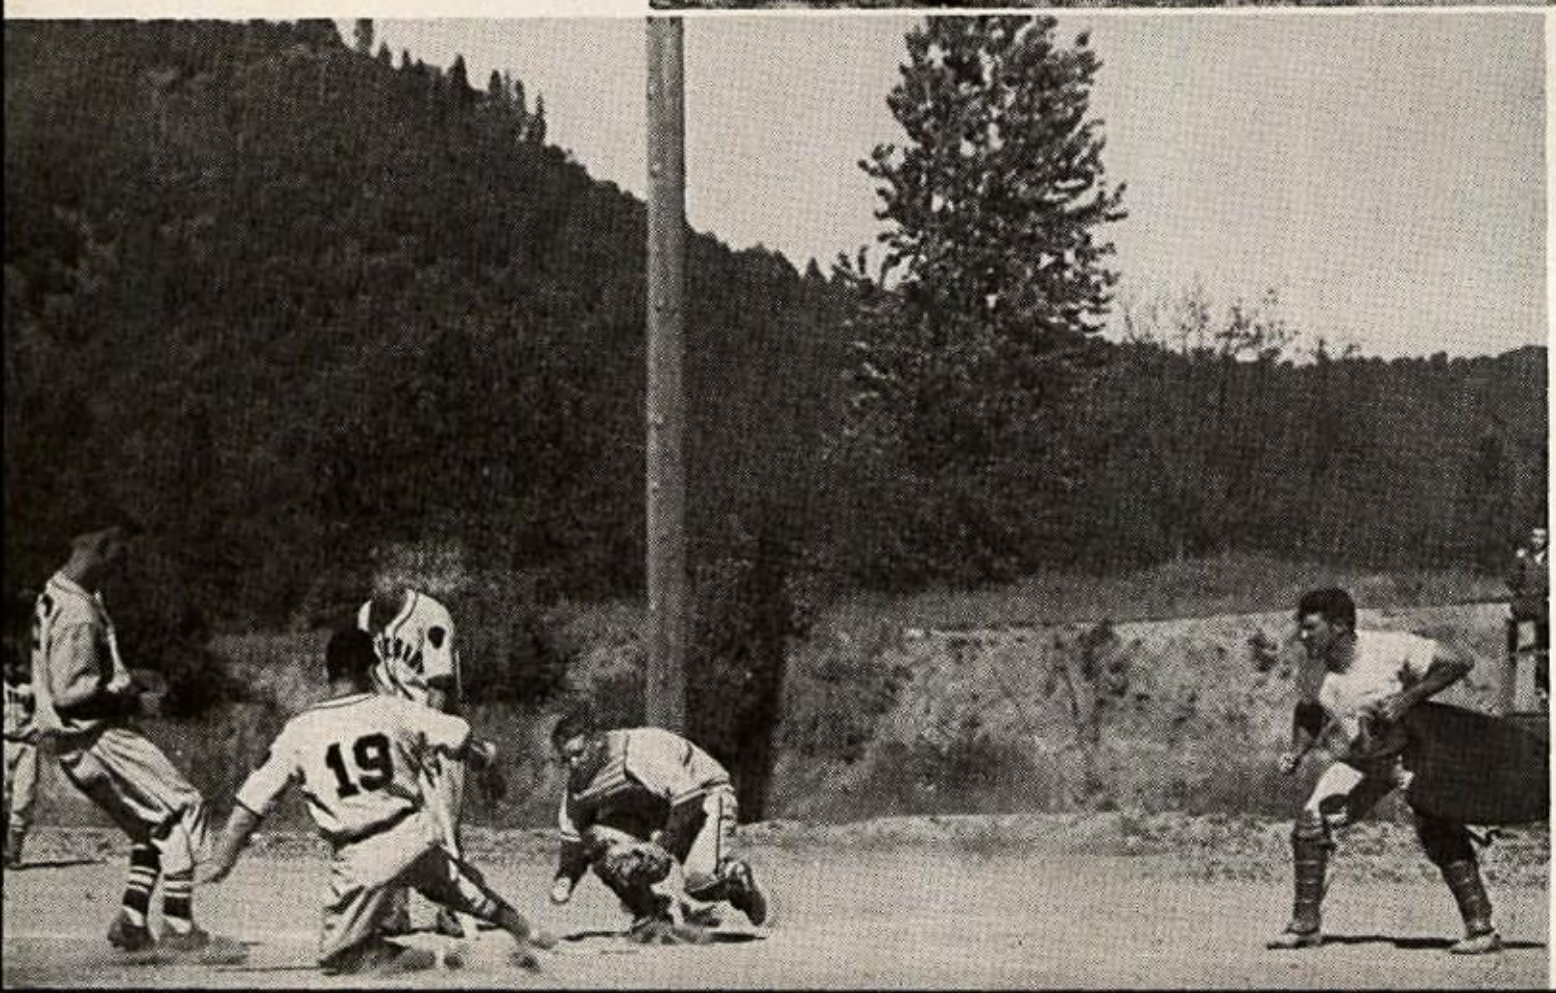
Last year the Cavemen team had a great season by keeping their home slate clean. Losing only three games during the season, Coach Bill Reder coached the team to the Southern Oregon Championship. The team this year is looking forward to as good or better season as last year.

FIRST ROW, left to right: Troutman, Hedgepeth, James, Lucas, Friend, Swisher. SECOND ROW: Coach Reder, Koch, Reese, Parsons, Jacobson, Harbour, Driskell, Little.

In a practice game, as John Harbour slides into home, Glenn Reese lays the ball on him. Phil Parsons is up to bat.



Jay Koch prepares to connect with a fast one while Glenn Reese is ready just in case Jay lets it go by.



Catcher Bill Wilcox makes an attempt to tag a Roseburg player during a conference game held here.

Rex DeFur surges out ahead of a Klamath boy to win the relay for Grants Pass. This was during the Rogue Relays with Medford, Klamath Falls, and Grants Pass participating.

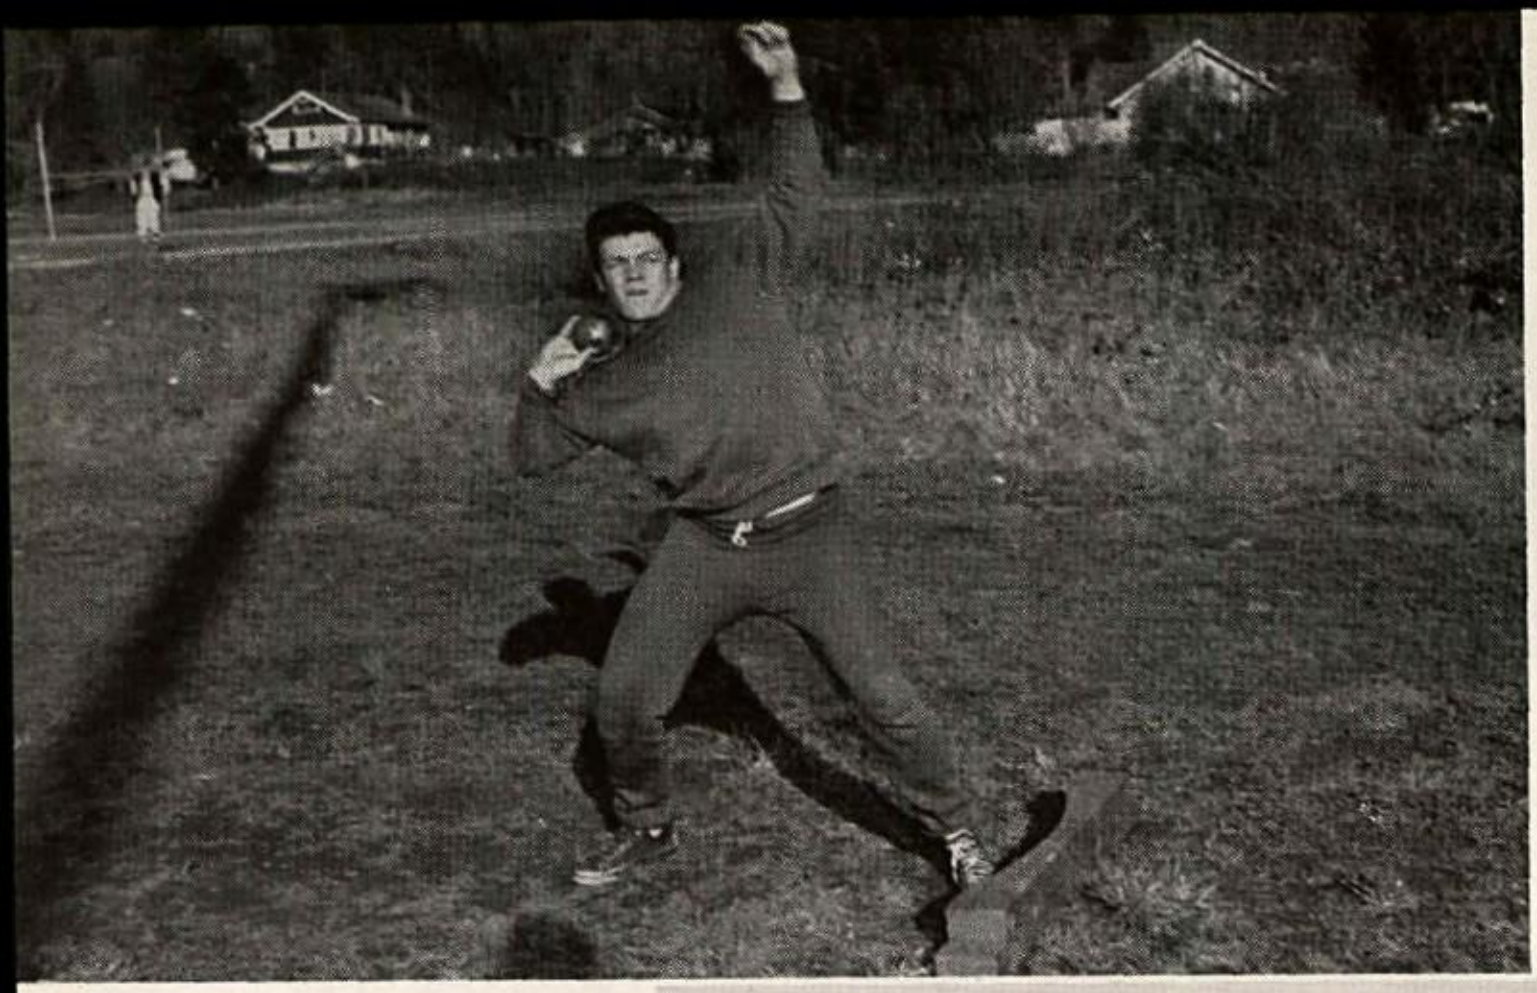
Along The Cinder Paths

As the weather turns warmer, we see Coach Rus Werner and his track boys start to wear a new path around the track field. Coach Werner said that the team should be stronger in the distance runs and the pole vault this year.

Pole vaulters are Gary McFarland, Glen Smith, and Bruce Robertson. In the mile are Dick Stickelman, Bud Powell, Bruce Howard, Dave Flickinger, and Bill Sappington. For the 100 and 220 are Bob Roth, Jack Miller, Bill Bell, and Brian Carothers. Leading men for the 440 are Gary Roth, Albert Woods, Willard Lyons, and Bob Phillips. Low hurdles are Bob Paylor, Dave Talbot, Gary McFarland, Bill Dickson, and Bruce Robertson. For the always thrilling 880 relay are lettermen Bob and Gary Roth and Dave Talbot.

They start the season with a three-way meet here March 30 with Central Point and Illinois Valley. Among other chief contenders this year will be Medford and Klamath Falls.

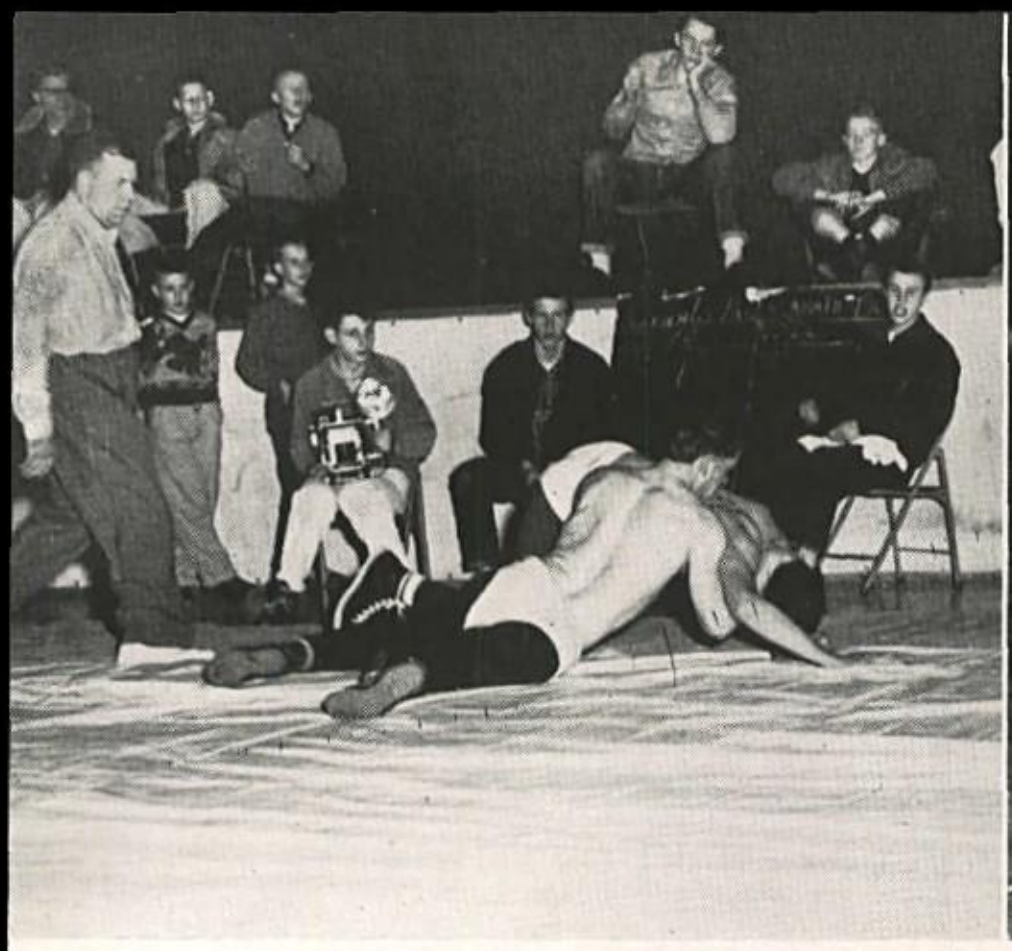
FIRST ROW, left to right: Briggs, Friend, Bob Paylor, G. Roth, Bertrand, Dickson, Spivey, Harbin, Tribbey, Newman, Don Phillips, Talbot, Alden B. Roth. SECOND ROW: Miller, Robertson, Norrick, Stout, Thomas, Stickelman, Smith, Barker, Herron, Campbell, Bronner, Tribbey, Carothers, Bell. THIRD ROW: McBride, Green, Williams, McFarland, Rosemus, Rasain, Hale, Remington, Lyons, Milligan, Hollowell, Valburg, Williams, J. Myers. FOURTH ROW: Corder, Cudd, Brown, Richardson, Flickinger, Bergold, Jaynes, Bob Phillips, Wood, Ashley, Kester, Myers. FIFTH ROW: Marks, R. Lewis, Sease, Maxwell, Murray, Fifield, Sappington.



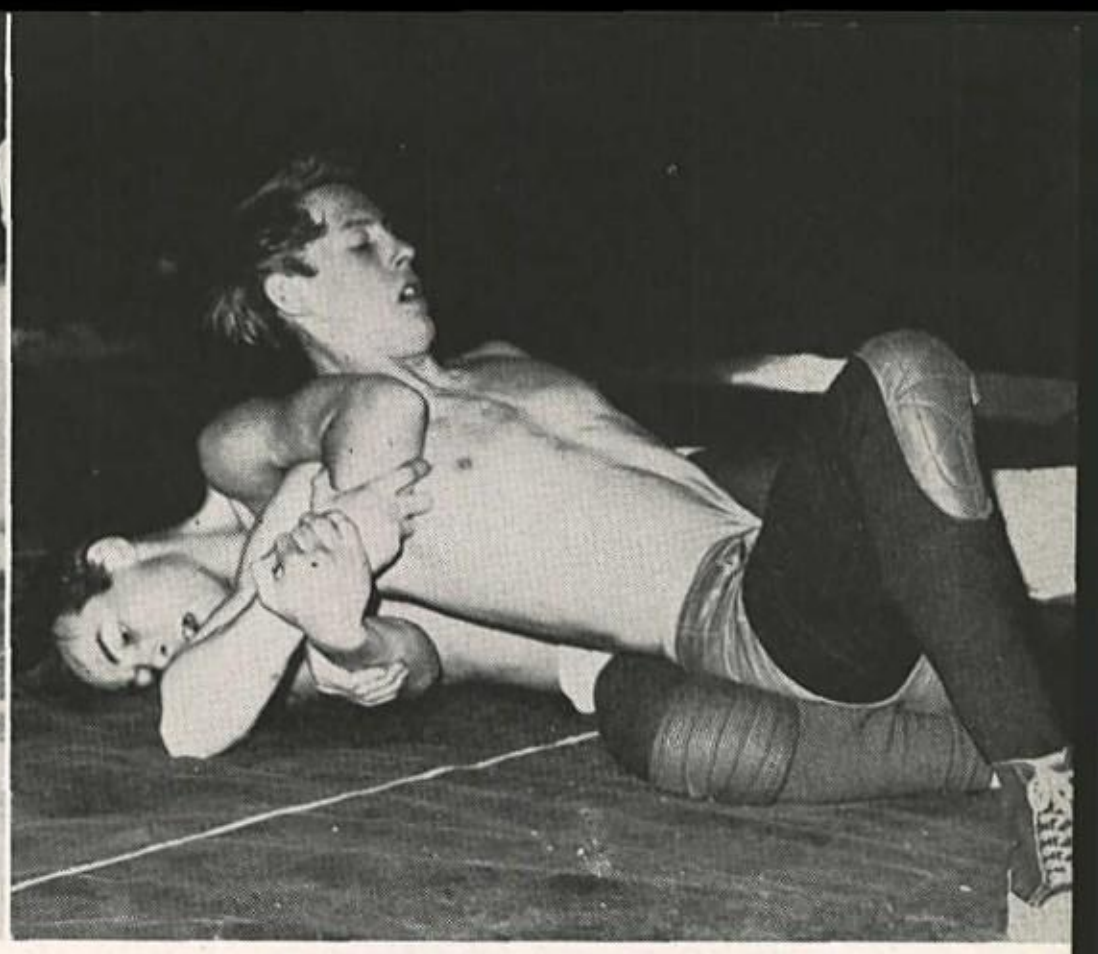
One of the mainstays on the Cavemen track team was Don Herron, a shot putter.

Pole vaulter Gary McFarland, in a most spectacular form, vaults for Grants Pass during a track meet held here.

A returning letterman, Don Phillips, warms up for the 1951 track season by practicing the broad jump.



Gil Carda really holds on to that Klamath Pelican during this wrestling match held in Memorial Gym.



Klamath on the bottom, Grants Pass on the top, as Tom Towne makes sure his hold.

Grapplers Finish First Year

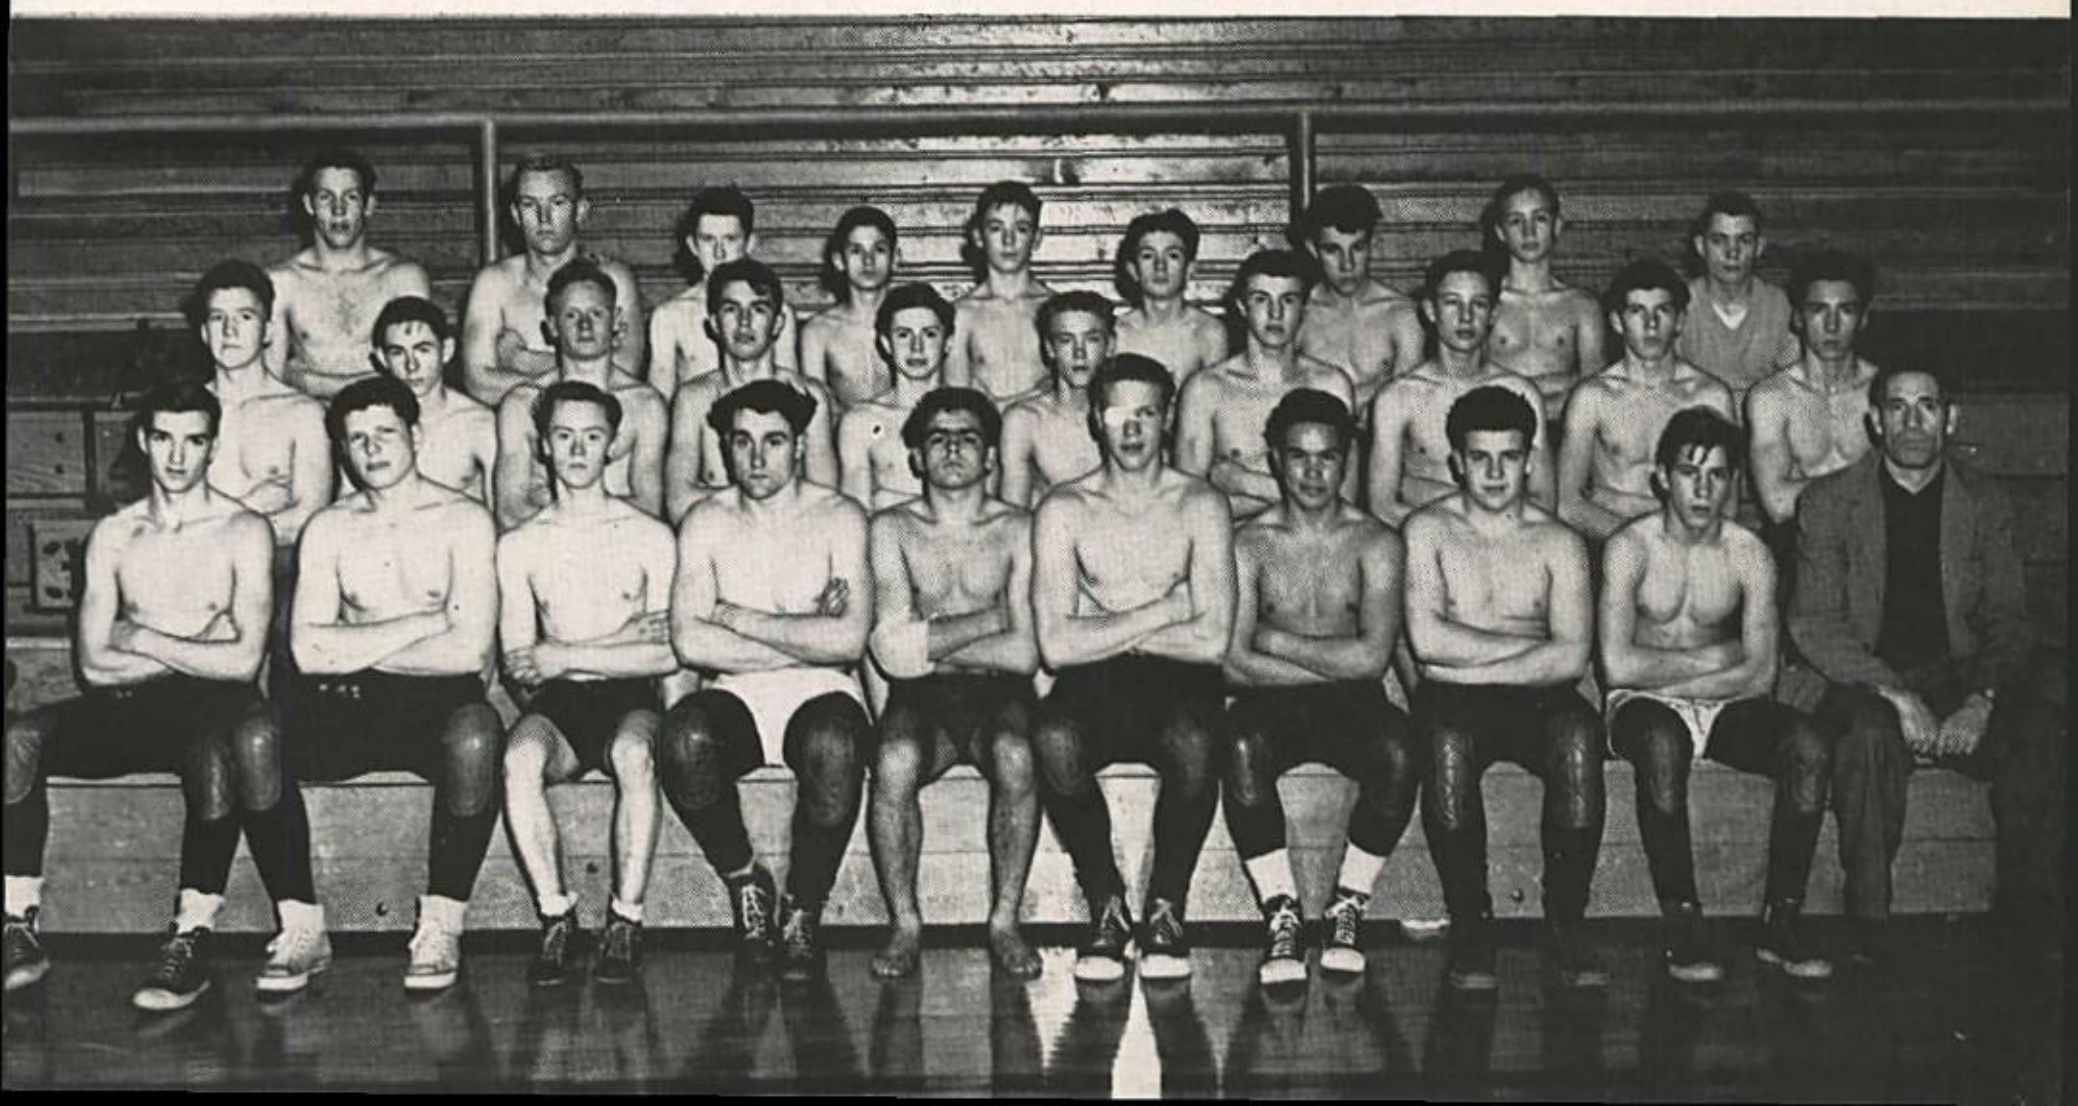
For this, the first year of wrestling as a major sport in Grants Pass High School, our grapplers really came through by adding a trophy for second place in conference to the student body showcase and by representing Grants Pass in the state wrestling tournament.

Winding up their first year, these wrestlers, under the excellent coaching of Mel Ingram, won 11 berths to the state tournament at their final district meet.

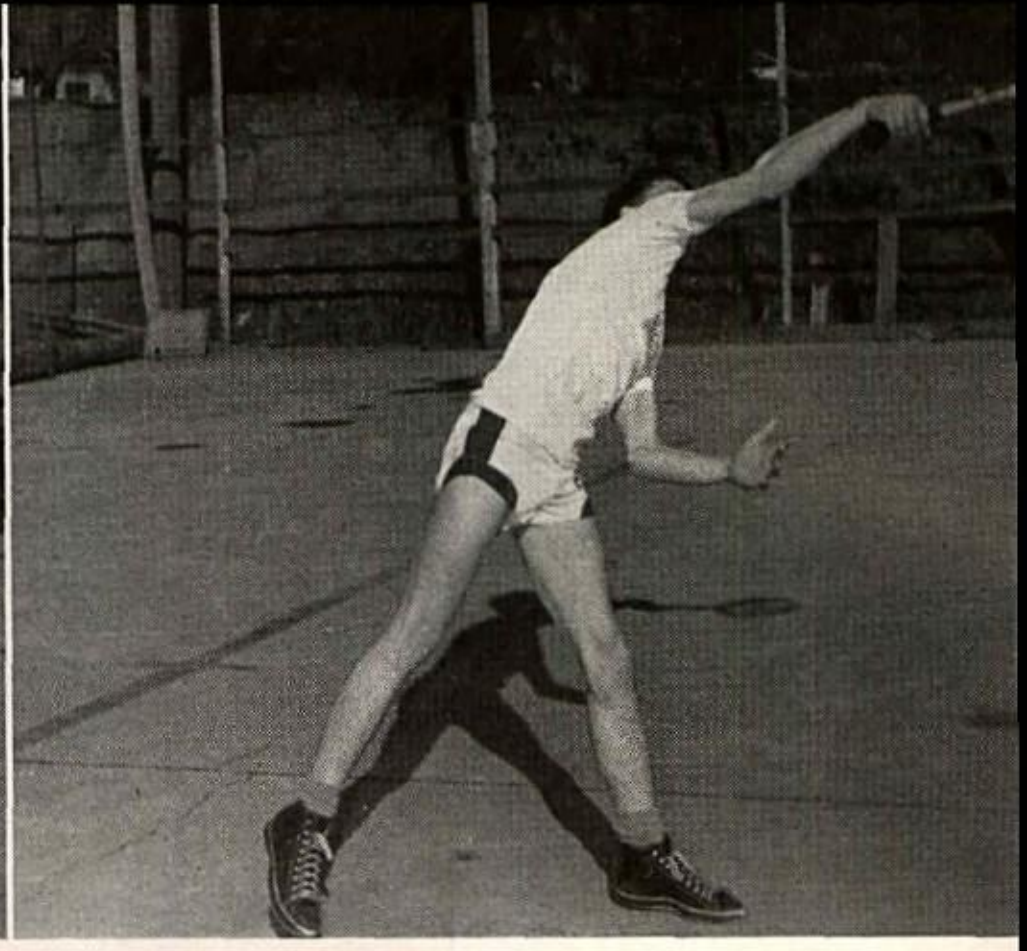
They were: Jim Griffith, first in 139 pound division; Dave Flickinger, second in 146 pound division; Brian Carothers, 136 pound class; Del Helmhout, 128 pound division; Carol Dollarhide, 121 pound division; Clifford Norton, 113 pound division; and Tom Towne, third in the 155 pound division.

Grants Pass failed to place a man in the finals, but the boys returning next year hope to go all the way.

FIRST ROW, left to right: Griffith, Masters, Norton, Carda, Strong, J. Tribbey, Carothers, Siegman, C. Dollarhide, Mr. Ingram. SECOND ROW: R. Dollarhide, Medford, Woods, Newman, Remington, Williams, Flickinger, Hale, Conger, May. THIRD ROW: T. Tribbey, Milligan, Stout, Skaggs, Stewart, Houck, Helmhout, E. Masters, McLean.



Laddie Youngblood gets ready to ace that ball over the net.



Bob Franz shows good form as he makes a return in a practice session.

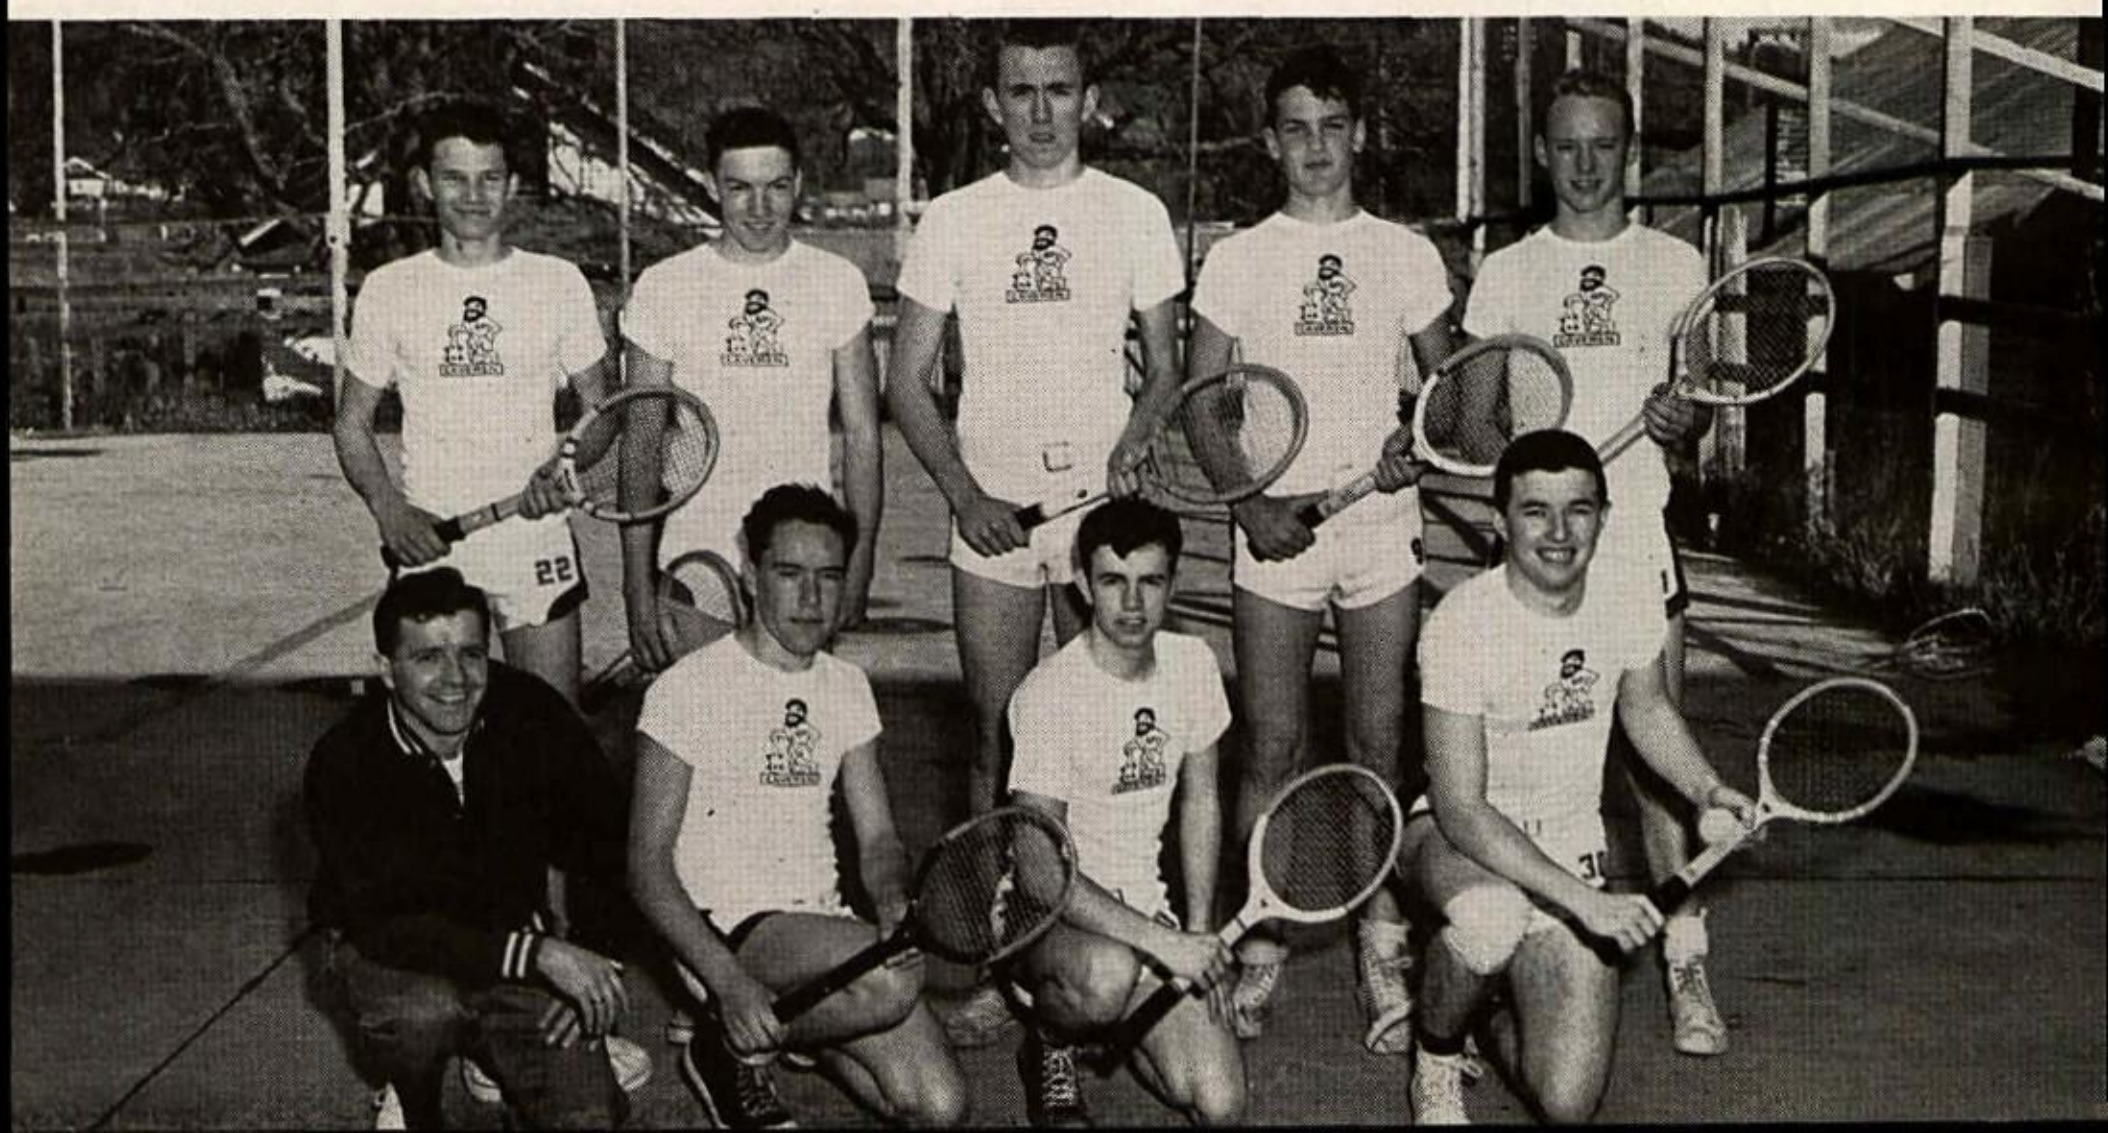
Courtmen Do Well

As March rolls around, so do spring sports, and one of the main ones is tennis. This year the prospects looked very good. The team was small because of the lack of space. There were eight on the team and five were returning lettermen, which means this year's team was experienced.

The team this year traveled with the baseball squad so their schedule followed along the same line. They played games with Medford, Ashland, Klamath Falls, and Roseburg.

Mr. Marks was the coach again this year, and he brought the boys through a good season.

FIRST ROW, left to right: Coach Marks, Brown, White, Youngblood. SECOND ROW: Franz, Hunter, Koch, Obye, Hamilton.



Junior Varsity Football

The Junior Varsity, with both sophomore and junior players, fared pretty well this year. They came out with 3 wins, 2 losses and 1 tie. Some of the boys are among those who, on the Varsity next year, will be defending the Cavemen's superior record.

Girls Enter Competitive Sports

The Girls' Athletic Class is organized for girls who are interested in competitive sports. It is held fifth period and the girls usually start play from 12:30 until 2:00.

The girls in the athletic class also act as referees, umpires, and time-keepers for the intramural games held at noon. The development of sportsmanship and physical fitness is stressed in the athletic class.

The class is open to sophomore, junior, and senior girls until spring. Then it is opened to freshman girls.

Dear Larry:
Hope you have
lots of luck during
your years in U. P. H. S.
Have lot of fun in your
classes and don't
much as I do.
(Bet wins Graham
and the best of luck

Larry,
Best of luck always,
